

GOING FOR THE SPARE

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

All is not lost with one failure. As any bowler knows, it's worthwhile to achieve a goal on the second try.

The Church was not founded for people who are perfect. It is for men and women who would strive, despite their shortcomings, to meet life's moral and spiritual challenge.

Someone has called Christianity *the religion of another chance*. Jesus, after all, placed greatest emphasis on God's forgiving love. And He urged men to grasp present opportunities despite past failures.

Earnest Christians today are still discovering in thrilling ways what man, inspired and strengthened by God, can really accomplish.

And some of those whose lives have been enriched with faith and courage once wondered — as perhaps you are wondering — whether to give religion another try.
