The name "police dog" is not applicable to any particular breed of dog. There are dogs of all kinds—shepherd, cross-breeds, and even mongrels—that have been trained in police work. The breed of dog most commonly referred to as "police dog" is the German shepherd.

WOODEN BOWL

If there's a crack in your wooden salad or chopping bowl, get the surface thoroughly clean and dry, then pour shellac into the crack. It should harden into a more or less permanent fix.

Prayer Of The Week - - -

The prayer this week is by Moses, taken from the Psalms:

"Lord, thou hast been our dwelling place in all generations.

"Before the mountains were brought forth, or ever thou hadst formed the earth and the world, Even from ever-lasting, thou art God . . .

"Return, O Lord, how long? And let it repent thee concerning thy servants. O satisfy us early with thy mercy: That we may rejoice and be glad all our days. Make us glad according to the days wherein thou hast afflicted us,

And the years wherein we have seen evil. Let thy work appear unto thy servants, And thy glory unto their children. And let the beauty of the Lord our God be upon us; Yea, the work of our hands establish Thou it. Amen."

GREASE ON WALLPAPER

To remove grease spots from wallpaper, try holding a clean white blotter over the spot with a warm iron for several minutes. The heat should melt the oil or grease so it can be absorbed by the blotter.
