Snip bacon into 1-inch pieces. In large saucepan, cook bacon until crisp. Set bacon aside. Pour off all but three tablespoons fat. Add chopped chives or onions and cook slightly. Peel potatoes and dice. Add potatoes, water and salt to cooked onions. Cover and cook 10 mins. or until potatoes are tender. Mash slight-ly, if desired. Blend in undiluted soup and milk. Heat but do not boil. Garnish with crisp bacon bits and parsley and serve. Makes 4 to 6 servings.

with a critical eye. The proper size and design of the For The Best Worklampshade will effect the effectiveness of light.

A diffusing bowl softens and directs the light rays and protects you from looking directly into the light bulb. The bowl helps to distribute light more effectively in all directions.

When replacing bulbs, diffusers, shades, buy those that are the same size and style as the original ones. Doing this, you provide effective light and safety.
