### ● Timely Tips

(From page 1)

tergent you've measured for the washer to pretreat the stains. Wash garments before they become badly soiled. Give heavily soiled clothes two short washings. Wash small loads because crowding increases wrinkles. Do not use chlorine bleach unless the label on the garment says it is safe to do so. If you have an automatic dryer, do not let clothes overdry. Remove garments and place them on hangers as soon as the machine stops. If you do not have a dryer, take the clothes from the last deep rinse, put on rustproof hangers, and drip dry.
