

## BACKGROUND FOR MARRIAGE

Next year George will be a civil engineer from Tech. And Meredith is studying Home Economics at State.

If you were their parents, wouldn't you consider that a pretty good background for marriage? Boy with a promising profession! Girl with a sound grasp of the family budget!

But should we be so naive? What they study in college is foreground, not background. It equips our sons and daughters for the immediate opportunities and obligations the future presents.

The permanence of love is not rooted in engineering or economics. Designing bridges and planning menus are not keys to a lasting happy marriage.

Personal character determines the ability of a man and woman to meet the demands of sacrifice and unselfishness that marriage requires. The Church molds character as it builds faith. For character is one of the by-products of faith . . .

. . . The ability to love unselfishly is another!

### THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
