

HOCKLESS & SKINLESS

Swift's Premium Hams

WHOLE — HALF — SLICES — PIECES

the so good and tender kind with much less waste

Incidentally—a three or four pound hunk of an eighteen or twenty pound ham is not a half ham, it's a part of a ham, very likely an end (with more waste than you want). Nor is a pork shoulder a ham, fresh or smoked, it could be called "pic-nic" and that means shoulder. So if you are looking for ham—this is the place to look.
