Prayer Of The Week - - -

The prayer this week is by Theodore K. Vogler:
 "Lord of the day and night, who didst walk with thy servants in the cool of the morning, the heat of the noonday and the quiet of evening; we seek thy peace at the close of this day.

"Thanks be to thee for all the experiences that have brought enrichment of body and soul; the love of family and friends, the treasures of nature and literature and art, the opportunities of helpfulness and the disappointment and sorrows that have made us tender and sympathetic. Forgive the blunders of the day, our Father, and let the morning bring new courage and strength to be more and better than we are. Amen.
