**MEDITATION**

Meditation is the tongue of the soul and the language of our spirit; and our wandering thoughts in prayer are but the neglects of meditation and recessions from that duty; and according as we neglect meditation, so are our prayers imperfect, meditation being the soul of prayer and the intention of our spirit.  
—Jeremy Taylor

Despair is an ugly word and should never be uttered when children are present.

Cleaning up vacant lots should be a part of every community Clean-Up campaign, says the National Board of Fire Underwriters.

The removal of rubbish and underbrush not only eliminates a fire hazard but also clears away a possible breeding place for flies, mosquitoes, rats and other disease-bearers.

Clean vacant lots, in addition, provide safe play spaces for children.

It's better for them to hold their ball games on a lot than in the street.
