 NOW SHIFT ON-THE-GO AT THE FLIP OF A SWITCH

SELLER

Come on in to our dealership now to see Multi-Power on the Massey-Ferguson 35—the world's best-selling tractor. This new transmission—the simplest, most practical shift on-the-go ever engineered—lets you gear down or speed up at the flip of a switch. Gives you split-second fingertip control over ground speed, without affecting PTO speed. Also gives you 12 different forward speeds—all in direct gear drive. And along with the Ferguson System and M-F's record-breaking 3-cylinder diesel engine, Multi-Power now puts more gear speeds, more guts, more get-up-and-go into the "world's best seller" than ever before. Come in and see the great MF 35 with Multi-Power today!
