Rotarians Give Summer Visitor Farewell Party

It was a farewell party and a birthday party all rolled into one Tuesday noon at the Mount Joy Rotary club!

At the weekly luncheon meeting of the club, held at Hostetters, Miss Mia de Lozanne from the Netherlands, who has been a summer visitor in Mount Joy and area, was the speaker.

After spending eight weeks with Rotarians and friends, she will be leaving for a week in North Carolina with friends and then go to New York. She will sail for home on Sept. 4.

Mia, who is the daughter of a Rotarian, told of some of her impressions of America and something of her homeland.

Among her impressions were: Holland is calmer; women do not work outside the home after marriage; the United States is so big; so many cars; Amish living; "loved Shoo-fly pie"; bigness of Penn State university; "loved Mount Joy," and etc.

She has two more years of college. She is planning to teach French.

During her time in the States Mia has lived with the John Hart family, the Ray Wileys, the Dr. John Stauffers, the Harold Kralls, the Clair Gibbles and with the Adam Greers.

Greer, who has been chairman of the committee in charge of arranging the summer visit, will take her to North Carolina within a few days.

Last year the club had as its guest a young woman from Sweden.

At the close of the meeting Mia was surprised with a birthday cake and by the singing of "Happy Birthday". Wednesday was her birthday.

The party was complete with a number of the wives and members of the families of many Rotarians.
