MOUNT JOY, PENNA., WEDNESDAY, SEPTEMBER 9, 1964

SEVEN CENTS

Launch Fund Raising Campaign Next Week

Proclamation

WHEREAS it is a recognized fact that adequate and convenient library opportunities are of outstanding value to a community and that library facilities are a cultural benefit and upgrading influence, and

WHEREAS Mount Joy long has needed a public library as one of its facilities for its adults and children, and

WHEREAS the opportunity now has come to take advantage of a wonderful working connection with the Lancaster Free Public Library, and

WHEREAS an active library committee is now formed and has been working diligently for several months, and

WHEREAS the committee has made adequate plans for providing housing and staff for a Mount Joy Library Center, therefore

THEREFORE, I Frank B. Walter, mayor of the Borough of Mount Joy, do hereby proclaim and announce that the week of September 14, to 19, 1964, be observed as LIBRARY WEEK and urge that all citizens of the area who regard cultural facilities as important support and boost the program of the Mount Joy Library Center committee.

FRANK B. WALTER
Mayor, Borough of Mount Joy

Mayor Proclaims Local Library Week; Volunteers Set Drive Goal At \$18,000

Next week is Library Week in Mount Joy! And, next week is the time set for underwriting the financial life of the new Mount Joy Library Center!

The stage has been set for a complete, community-wide solicitation of individuals and businesses to provide a three-year guarantee of library services for the community.

The goal is \$18,000.

Under the direction of the financial committee, workers have been organized and they will be ready to begin their campaign next week.

Last week it was announced that the library center will be located in the middle building of Carpenter's Corner at 20 East Main St.

Library furniture to equip the room has been ordered and is expected within a very short time.

The fund-raising drive will offer opportunities for contributors to become charter members of the library, sustaining members or friends, depending upon the amounts

which they wish to give. Pledges and/or cash will be accepted.

For those who wish, contributions may be part cash with pledges due in the fall of 1965 and a year later in 1966.

In setting its goal of \$18,000, the financial committee said that an initial capital expenditure of \$6,000 is needed to ready the library.

To cover an anticipated \$4,000 yearly budget expense for three years will require an additional \$12,000.

At the same time solicitation plans are being made, volunteer library workers are being trained to handle the staff duties of the new center.

Already two sessions for two different groups of volunteers have been held, the second on Tuesday of this week.

Training is being done by the Lancaster Free Public Library, which also will provide library service of some 5,000 books, magazines and newspapers.

Fourth and Final 'Music in Park'

Fourth and final 1964 "Music in the Park" program, sponsored by the Mount Joy Community Council, was staged Monday night in Memorial Park.

As a Labor Day special, the Shawnee band from Columbia provided the music from an improvised band stand.

An estimated crowd of more than 600 people brought their folding chairs and blankets to enjoy the two-hour evening's program of varied military band numbers.

Earlier, the Community Council provided "Music in the Park" on Memorial Day, Fourth of July and a special "Potpourri of Music" in mid August.

All were received with enthusiasm and comments of "More, more, more."

Questions and Answers About Library

Question — What will be the yearly cost of this operation?

Answer — Of course, the initial cost will be greater until the building is completely furnished. The furnishings alone will be over \$6,000. Operating expenses are estimated at \$4,000 a year. If and when growth demands a full-time paid librarian, that will be a local cost.

Q. — What is the community's responsibility?

A. — Finding and furnishing a suitable building, paying rent and maintenance and paying service charge to the

Lancaster Free Public Library.

Q. — What is the Lancaster library's responsibility?

A. — To provide a well-rounded collection of books, including reference books, children's books, adult fiction and non-fiction, magazines, newspapers (to total about 5,000 books), to train volunteer workers for the library and to provide supervision as needed.

Q. — Is my contribution a tax deductible item?

A. — The Mount Joy Library Center is incorporated as a non-profit organization and as such, steps are being taken for approval by the U. S. Treasury department.

Q. — Will Mount Joy issue new library cards?

A. — No. Any Lancaster Free Public Library card or Bookmobile card will be recognized here.

Q. — Is there any individual charge to use the library?

A. — No. Anyone may borrow books. There will be fines for overdue books.

Q. — Can anyone give books to the Library Center?

A. — Yes. The center will be happy to receive any (Turn to page 8)

Tribe to Open Grid Card

Donegal high school's Indians will unveil their 1964 gridiron machine Saturday afternoon, playing for the home fans on the Tribe's own hunting ground.

Ephrata will be here for the afternoon's activities in a quick blast into Conference of Roses competition.

The opener sends the tribe down the road in defense of the best season Donegal football ever had. Last year, playing their second year under direction of head coach Al Brooks, the Indians won 8 games and dropped 2.

DEGREE

Among the 929 candidates receiving degrees Saturday, Sept. 5, from Pennsylvania State university was Charlotte A. Horning, 122 East Harrisburg ave., Rheems.

She received the B. S. degree in zoology.

Dipomas were presented by Dr. Eric A. Walker, president of the university at the end of the summer term.

QUALIFIES

Charles W. Brooks, 208 Park Avenue, Mount Joy, has qualified as a member of the "1964 Top Club" of the New York Life Insurance company.

The "Top Club" is composed of the company's outstanding agents and is based upon 1963-64 sales records.

As a member of the "Top Club," he is qualified to attend this year's educational conference Sept. 9 - 12, at Montreal, Canada.

The very best Donegal had ever done before was to manage three wins in any one season.

Thus, 1964 faces a stiff comparison measure even before the Saturday kickoff.

Last year the Hilltoppers from Ephrata were whopped, 32 to 14, for Donegal's sixth straight win of the season.

However, this season the Indians will be without the powerhouse scoring attack of Roger Grove and the weighty thrust of Mike Lippold. Also missing will be Gene Funk, John Hart and Paul Stehman just to mention lads who were standouts for Donegal and won themselves places on the all-conference teams.

Who can be launched into 1964 stardom is one of the matters for decision Saturday against Ephrata.

Saturday's grid program also launches a new 10-game round-robin schedule which pits all teams in the league against every other team. Thus, no team will be able at the end of the season to have landed at the top of the top of the standings without having met all contenders.

CIRCUS

The Mount Joy Junior Chamber of Commerce will sponsor two performances on Monday, Sept. 14, of the Von Brothers circus. Shows will be held in the late afternoon — 3 p.m. — and at night — 8 p.m.

The circus will arrive Sunday, the 13th, and set up on north Market street.

A peep behind the curtain — Recently we had the opportunity to talk with both Dr. David Schlosser and Mrs. George Broske about the coming two-piano concert which they will play early in November.

For music lovers, they have a tremendously attractive program. They are enthusiastic and we believe that you will be.

We do not, at this time, propose to discuss their program but we will prick your curiosity by saying that there will be a couple of surprises!!

Another community program which will be of interest is the Halloween parade.

Last week the Mount Joy Lions Club collected its "Mile of Pennies" to help finance the big fall project. House-to-house collections are being made.

The Lions appreciate the help given them and add that if there are those who wish to help but who have not been contacted, they may call 653-7401 or 653-0191 after 5 p.m. and their contribution will be picked up.

Mount Joy's Market street, in the first block north, is a swarm of activity this week.

Streets, curbs and side walks are all in the process of construction as part of the summer construction program. In the meantime, the first block south of Main is ready for resurfacing. Forlorn alley, too, is being readied and within a short time all will be finished.

Where is Forlorn alley? ..

Not many of your friends and neighbors will be able to answer, we'll bet. It runs north and south, a half block west of Manheim street for a short distance north of the Sico and Garber oil tanks and warehouses.

Another coming event — The Donegal Derby is to be run again this fall, according to plans now being made. It appears that it will be staged sometime later in October, probably the 24th.

And, if present plans work out, there will be something added this year — a pony auction. Frank Zink and John Wenger have more ponies than they want to keep and they are now planning to hold a sale in connection with the Derby.
