ASK FUNDS

Mount Joy Jaycees are asking for help to raise funds to assist in sending the U. S. Olympic team to Japan.

Locally and nationally, the

Jaycees have tackled the project with vigor. In Mount Joy, collection cannisters have been installed in several local businesses.

The U. S. Olympic Committee has turned down a government grant of \$750,000 to maintain its non-profit, free enterprise standing. The U.S. Jaycees have pledged \$1,000,000 of non-government financing.

JOINS AIR FORCE

Leaving for Texas on September 21 will be James Hill, son of Mr. and Mrs. Charles S. Hill, Wood Street. James, an Eagle Scout of local Troop 39, will join the Air Force. A surprise party was held for him Monday evening at the regular Boy Scout meeting. A gift was presented to him by the Scouts and Mothers group. James hopes to join in the leadership of a Boy Scout troop in Texas.

Also, at the same meeting, John Hill and Michael Reheard received their Tenderfoot Awards, which were presented by Harold Etsell, Scoutmaster.

NAVY ROTC

Applications are now available for the Navy's 19th NROTC qualification test, according to John D. Day 3rd, counselor at Donegal High School. The nationwide examination will be given December 12, and all eligible male high school seniors and graduates may apply.

On the basis of this test, personal interviews, physical examinations, and other factors, Day explained, more than 2,000 young men will be given college educations as midshipmen in NROTC units in 52 well-known colleges & universities through-

out the country.

Registrations for the test will close November 20. Informational bulletins and applications are available from Day.
