

GO TO Church on Sunday

WATCH FOR THE SIGNS

Mike was lucky! He lost his way completely along the thickly-wooded roads during his vacation last summer until suddenly he came upon a small service station. The friendly attendant told him he was only a short distance from the lake. "Just watch for the signs," the man said.

It's easy to get lost . . . it could happen to anyone. At times, our lives get so confused that we don't know which way to turn, and we feel that nobody cares. When that happens, just watch for the signs.

What signs? Well, there's the fragrant beauty of a rose, the laugh of a child, the glory of sunrise, the sound of great music . . . signs all around that point to the constant presence of God who loves us.

The Christian Church is the most important sign of all . . . created solely to reveal a new and meaningful way of life to all who seek it.

THE CHURCH FOR ALL • ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
