

SUPPLEMENT PASTURE

Early fall can be a critical time for beef cattle and sheep, says Thomas B. King, extension livestock specialist at Penn State U. because often their total nutrition is lacking more at this period. Farmers should make sure feed is always available, and King suggests supplementing depleted pastures with additional hay or silage.

Prayer Of The Week - - -

The evening prayer this week is by R. Norris Wilson:

"Come, Holy Spirit, thou Lord of the night. Come like the wind and refresh. Come like a fire and cleanse. Come thou and enfold the spirits of them that wait upon thee.

"How little and lonely and separate the night makes us! How ready are we therefore to receive thee, the Comforter!

And do thou, Lord, with our rest, work in us thy sure and quiet blessing. Release us from oppressive care. Renew our hearts and strengthen our faith in Jesus Christ, that in the coming day we may serve him with glad hearts and willing hands, never leaving thy presence.

"These things all we ask for thy mercy's sake."
