

To keep your fine cutlery in tiptop shape, it is suggested that you do all cutting of foods on a wooden board. Cutting on the sink or a metal pan will dull the cutting edges.

Only 18 of the 319 species of hummingbirds live in the United States.

Most adults forget that boys and girls look at things with juvenile minds.

Fancy Ways With Ham

For a gala glazed ham, place ham on rack in shallow baking pan. Bake in a slow oven (325 degrees) according to recommended cooking time. Forty-five minutes before end of cooking time, take ham from oven and remove rind, if necessary. Score fat surface and stud with cloves. For whole ham, combine 1/3 C. molasses & 1/3 cup prepared mustard; brush part of mixture over ham. Continue baking, brushing occasionally with the remaining mixture. For half a ham, follow same procedure, using 1/4 cup each of molasses and mustard.

CINNAMON - BAKED FRUITED HAM

3 to 5 pound canned ham
6 firm bananas
2 tablespoons butter or margarine, melted
2 tablespoons lemon juice
1/2 cup packed brown sugar
1 to 1 1/2 teaspoons cinnamon
Place ham in baking dish and heat as directed on can. Cut each banana in half. Trim off end of bananas. Twenty minutes before ham is fully heated, place bananas around ham. Brush bananas with butter. Combine lemon juice, brown sugar, and cinnamon. Brush over ham and bananas. Bake in slow oven (325 degrees) 15 to 20 minutes or until bananas are tender and ham is hot.

RAISIN - MOLASSES TOPPED HAM

3 to 5 pound canned ham
