THE TOWN CRIER

He used to be the bearer of news—both good and bad. And he announced the merchandise available in the various places of business. Newspapers have long since replaced him.

He would cry the hour night and day for he was timekeeper to the town. Clocks and wrist-watches crowded him out of our life.

But when he announced the hour he liked to reassure his neighbors: "Tis three o'clock—and all's well!" Why has no one taken up this function in our modern world?

Probably because no one is certain that all is well. And because merely saying that all is well doesn't calm our fears or lighten our concern.

More and more we are coming to realize that our crucial need is spiritual. Men are seeking truth and power in the faith and worship of our churches. With each passing hour it becomes more evident that all will be well only when ALL discover God.

THE CHURCH FOR ALL • ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
