Lutherans Push Fund Campaign

The Lutheran Service Expansion Appeal, a fund-raising effort on the part of Lutheran churches in Lancaster County timed at securing a minimum of \$360,000, has attained 90 percent of its goal to date. This was reported by Joseph P. Snyder, chairman of the Appeal Executive Committee. Thanksgiving Day has been set by the Committee as the target date for attaining the objective in full. The funds will be used to establish a new Home for the Aging, at Lititz. Results, thus far, according to Snyder, represent the financial commitments received from 38 congregations. There are 49 churches related to the Lutheran Service Agency. A number of congregations will be determining their measure of support within the next few weeks. This action, plus the continued solicitation of special gifts of individuals, according to the Chairman, should assure the goal being met in full.

Perhaps the most vital aspect of Rev. Madeira's message concerns his report on the status of religious liberty in Colombia. He is prepared to discuss this issue out of a thoroughly documented body of information. Rev. Madeira presents a graphic picture of his work through slides in natural color. The public is invited.
