Indians Clip

Six in a row and the Donegal Indians are whooping it up as they remain undefeated in the 1964-'65 basketball season.

Friday night the Tribe knocked Hempfield out of its undefeated position with a 49-41 score. The game was played at Hempfield.

The surging Indians led, 20-16, at the half and 33-26 at the three-quarter mark. It was not a run-away affair although the Donegal lads did outscore the Knights in each period.

Part of the success lay with the fact that three men shared the scoring burden. John Brown had 14, Frank 13 and Gohn 12. By holding Brown to a relatively low total (for him) the Knights left the other two men able to make good showings and to keep the scoring machine rolling.

The J.V.'s for Hempfield won, 36 - 21. Tuesday night the Tribe was to have invaded Elizabethtown to match the luck-

This Is A Complaint

That there are only a few cases of accidents which require unreasonable speed to save the life of a passenger. Those trained in first aid know how to recognize these exceptions.

Even when speed is necessary, a driver is not justified in gambling with the life and limb of others.

His highest obligation is to fulfill his mission safely as quickly as possible—whether it be ambulance, police or fire vehicles.

An emergency vehicle stacked up in tangled wreckage is not serving its proper function.

A screaming siren is not a moral narcotic which a driver may turn on or off by the flick of a switch on the dashboard of his machine. He still has a duty to operate with caution and consideration.
