Savings Account Totals Rising

Statistics show that people are adding to their savings. The amount saved went up 28 billion dollars in 1963 to a record total of 292 billion, according to this month's Changing Times. Savings per person have declined, however, and the theory is that prosperity is to blame. People spend more and save less when times are good. "At the same time, saving is more worthwhile now than it was a few years back. Tucked-away money earns more and the nest egg grows faster," says Changing Times. Reporting where people keep their savings and why, Kiplinger editors list banks as the most popular choice.

Interest Grows For Farm Bldg.

Interest in the Farm and Home Foundation Campaign, aimed at raising a minimum of \$375,000 for the construction of an agricultural center in Lancaster County, has reached a high point throughout the county, according to campaign officials. This was the consensus of reaction expressed by members of the Campaign Steering Committee, this week, when names of some 500 volunteer canvassers, practically all men, were on record at Campaign Headquarters.

The total group, known as the Farm Gifts Division, will launch the opening phase of the drive, next week, throughout the county.

The organization of volunteers has been developed through the setting up of 39 "districts", with a Chairman in charge of the enlistment of farmers and businessmen in every major community, to assure that every family and business related to agriculture is contacted. To solicit major industries and businesses located in the city area, two separate divisions of more than 150 men are now in process of formation. Levi H. Brubaker, veteran farm leader, and Lawrence H. Skromme, vice president of the New Holland Machine Co., are General Co-Chairmen of the campaign.

Two "Kick-Off" rallies of canvassers serving in the Farm Gifts Division are scheduled. The first will be held in the Lititz Community Center on Monday, Jan. 25, at 7:30 p.m.; and the second will be held in the Strasburg Fire Hall, Wednesday, Jan. 27. The two separate rallies,

identical in character, have been planned to accommodate volunteers in the northern & southern areas of the county, drive officials indicated.

In the northwest area of the county Phares S. Risser, Elizabethtown, and Noah W. Kreider, Manheim, are Co-Chairmen of the campaign. They have been aided in organizing the area by 9 "district" Chairmen. To date, a total of 160 farm people and business men have agreed to serve the canvass in this area.

The second phase of the drive will take place about the middle of February when the Special Gifts and General Gifts Divisions of volunteers will get under way with soliciting in the city area.

The proposed Farm and Home Center will be built on a 10-acre site, along the route 230 by-pass, just north of Lancaster, on land now pledged as a special gift, on condition that adequate funds are raised to construct the building planned.
