Kenneth Jones, and Theodore Greider will accompany this group, along with Herbert Peters, William Schotta, Mrs. Helen Shuey, Mrs. Sadie Brooks and Miss Martha Rainbolt.

Evaluation Team Working With

Mrs. George Broske, Donegal school elementary music supervisor, this week is serving with a 15-man team to evaluate the elementary schools of Lampeter-Strasburg.

She is serving as chairman of the music committee and is on the committee for physical education and safety. The evaluation continues for three days.

The team, headed by Dr. Gerald Bosch, professor of education at Penn State, will use a new criteria developed recently by the Pennsylvania Department of Education. Their use will serve as a pilot study for the standards which are expected will be used state-wide within a few years.

Donegal elementary schools are expected to be evaluated next year.

Mrs. Janet Germer served on a similar team recently at Solanco elementary schools.

Ten Shall Nots For Churchmen

A bit of doggerel appearing in St. Andrew's Shield, the weekly publication of St. Andrew's Presbyterian Church in Tulsa, Oklahoma, seemed to be describing the way things are most Sundays in our own church. The poesy was said to come from an Old English church. From this, we deduced that congregations all over may be plagued by worshipers who periodically forget some of the minor rules, and we therefore pass on to you, "Ten Commandments for Worshipers."

"Thou shalt not come to service late,

Nor for the Blessing re-fuse to wait.

When speaks the organ's soft refrain,

Thy noisy tongue thou shalt restrain.

But when the hymns are sounded out,

Thou shalt lift up thy voice and shout.

And when the anthem thou shalt hear,

Thy sticky throat thou shalt not clear.

The endmost seat thou shalt leave free,

For more must share the pew with thee.

The offering plate thou shalt not fear,

But give thine uttermost with cheer.

Nor blame him when thou are disagreed.

Unto thy neighbor thou shalt bend,

And, if a stranger, make a friend.

Thou shalt in every way be kind,

Compassionate, of tender mind.

And so by all thy spirit's grace,

Thou shalt show God with-in this place." —Selected

HOW FOOD DOLLAR IS SPENT

For a typical family of four, the United States Department of Agriculture estimates that 40 cents of the food dollar is spent for meat, poultry, fish, and eggs. Almost 24 cents goes for vegetables and fruits; 17 cents for milk, cheese, ice cream, and other dairy products; 11 cents for baked foods, flour, and cereals; 3 cents for butter, margarine, and salad dressings; 2 cents for sugar, marmalades, and jellies; and 3 cents for coffee, soft drinks seasonings and other miscellaneous items.

Thank You, Dear Mother

For the most part, we tend to suspect Mother's Day. It seems partly a play of merchants designed to create one more gift-giving occasion, partly a mawkish wallow in sentimentality, and partly an attempt on the part of all of us to expiate the guilt we feel because we never did properly appreciate our mothers. But our reserve broke down in the face of a Mother's Day testimonial which arrived quite unexpectedly in the form of a letter to a mother of our acquaintance from her college-age daughter. So here it is:

"Dear Mother:

"Thank you. Thank you for sea-shells and skirt hems and cream cheese and olive sandwiches. Thank you for answers and orange juice. Thank you for questions and fresh curtains and eternal understanding. Thank you for wonder. Thank you for climbing the stairs to my room. Thank you for never being satisfied. Thank you for candles, shining copper pans, and the smell of pine boughs. Thank you for listening to My Fair Lady five thousand times. Thank you for kitchen table talks and cartoons on the bulletin board. Thank you for listening and trusting. Thank you for butterfly nets and bugs from the Museum of Natural History.

Thank you for making a home alive with ideas and music and fresh flowers. Thank you for chocolate chip cookies and getting angry. Thank you for reminding me to clean out the bath tub and for picking up my shoes. Thank you for growing up beside me and always ahead of me.

"Happy Mothers' Day!

All my love, Maria"

30TH ANNIVERSARY

Mr. and Mrs. Clarence West, Columbia avenue, were guests of honor at a surprise reception given in their honor by their daughter and son-in-law, Mr. and Mrs. Donald Musser, on Sunday, April 25, in the fellowship hall at St. Mark's EUB church.

The occasion was their 30th wedding anniversary. Approximately 50 persons attended.

Mr. and Mrs. West were married in Manheim and lived there briefly after their marriage, but most of their married life has been spent in Mount Joy. Mrs. West is employed at Sloan's Pharmacy and Mr. West at the Mount Joy Millwork at Rheems.

In the May 18th Primary

Mayor Walter Announces Candidacy for Re-election on Republican Ticket

In announcing that my name will appear on the ballot for office of Mayor in the coming primary election, May 18, I would like to include a brief report of the progress of my administration for the present term.

The Police Department is now operating twenty four hours a day on eight hour shifts, using up-to-date technical equipment and facilities. All police officers have a complete pension plan and full hospitalization.

Street improvement in the East and West Wards is about 75% complete. Florin Ward streets will be budgeted for improvement as soon as ditching is completed in that area, in accordance with recommendations by Chairman of the Street Committee, S.-A. Horton.

Equipment purchased, includes, two trucks, cinder spreader, riding power mower and a fifteen cubic yard capacity garbage packer. Drinking fountains have been installed in parks and some recreational equipment replaced. Also two tennis courts are scheduled to be resurfaced as reported by George D. Groff, Chairman Property Committee.

Street Lighting is being up-graded for the safety and convenience of citizens and a change over to a Mercury lighting system for Main Street is being planned that more effective lighting may be obtained at a slightly lower cost. Harry Farmer, Jr. is Chairman of this Committee.

Traffic Laws and Ordinances: Special traffic control equipment, which I recommended, has been approved by Council and in other areas laws have been passed that add greater security and dignity to the community. All Borough Ordinances will be codified this year. Albert Kleiner, Chairman.

Borough Planning Commission operating under the chairmanship of Omar Groff has just received a completely up-to-date zoning map of the Borough, including the Florin Ward. These maps are available to any citizen who may have use for one.

The Board of Health is now operating as a State approved commission with T. W. O'Connor, M.D., Health Officer.

Civil Defense stands organized and staffed in all five divisions and rates No. 1 in Lancaster County. Mount Joy has been selected as a warehouse headquarters and will serve as a distribution center of emergency supplies for the surrounding area. Michael Pricio is Civil Defense Director. George A. Albert is Chief of Security Police, a qualified warehouse superintendent and Civil Defense Instructor.

Finance Committee Chairman, Clark Berrier reports a tentative assessed valuation of real estate in the Borough at \$4,253,940. From a 12 mill real estate tax, a \$5.00 per capita tax, 1/4 of 1% wage tax, money from the State and all other sources our total revenue amounts to \$162,825.77, which has been budgeted for this calendar year.

From past experience this administration can foresee no necessity to go beyond these budget expenditures for the year 1965

Finally, I would strongly appeal to all voters to go to the polls and vote on May 18. You have a good thing going.

FRANK B. WALTER, Mayor
