Visitor From Wisconsin Talks

Chris Prentice from Racine, Wis., was the speaker on Tuesday noon at the weekly luncheon meeting of the Mount Joy Rotary club, held at Hostetters.

A past district governor of Rotary International, he and Mrs. Prentice were on their way to Atlantic City, N. J., to attend the organization's annual international convention next week.

"This is not the age of machines, missiles and vacuum tubes," the speaker said. "It is an age for men who can think, plan and act."

His theme was for a high ethical standard in government, and in individual lives. He advocated, "Let it be known what we stand for as well as what we stand against."

During the noon meeting he presented to Henry G. Carpenter, also a past district governor of Rotary, one of five specially-made gavels which were fashioned from wood taken from the Racine, Wis., birthplace of Paul Harris.

Harris was the founder of Rotary.
