

# GO TO Church on Sunday

WHO BATS FIRST ??

**THE CHURCH FOR ALL**  
**ALL FOR THE CHURCH**  
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Part of playing any game is to learn how to settle the inevitable arguments. In a league in which nobody has a coin to toss, this is the time-honored method for getting the game started without a squabble. But there are other games to be played, in other leagues. Life for each of us brings many occasions for conflict. And they don't all yield to simple techniques like twirling a bat around one's shoulders with just a couple of fingers. Earnest Christians believe that our faith can point men to the right attitude and action in times of stress. That's why, as we face the conflicts of life, we always hope the other fellow will behave like a Christian. And he's hoping as much of us. Why not meet him in Church next Sunday? That's where right attitudes often begin.
