### SECURITY

No right-thinking man makes public his route of success until he has served the right-of-way.

## LAST TWO WEEKS

to get a \$15 Trade-in Allowance on your old water heater regardless of its type or condition

and

PP&L's Money-back Guarantee of Satisfaction covering both operating cost and performance

## TRADE UP TO GUARANTEED SATISFACTION

with a *flameless* electric water heater

### HERE'S ALL YOU DO:

See your electric appliance dealer or plumber and take your choice of either a 40-gallon, or larger, quick-recovery water heater, or an 80-gallon, or larger, NEMA standard water heater. The dealer or plumber will then credit you with \$15 toward the purchase price. (Most dealers and plumbers are participating in the plan. If yours is not, call your nearest PP&L office for the names of participating dealers and plumbers near you).

When the installation has been certified by the Company as being eligible for PP&L's low-cost water heating rate, PP&L will give you its Certificate of Guaranteed Satisfaction, covering both cost of operation and performance for six months after date of installation.

### CONSIDER THESE MANY ADVANTAGES:

You'll prefer heating water the flameless electric way because it's *dependable . . . clean . . . automatic . . . safe . . . convenient . . . carefree . . . modern . . .* and, best of all, it's *economical* under PP&L's low, low rate of only one cent a kilowatt-hour.

And, what's more, because your new electric water heater is flameless and needs no flue, it can be placed anywhere—in a closet, under the counter, in the basement or in the garage.

Install an electric water heater now while you can get the \$15 trade-in allowance and PP&L's Guarantee of Satisfaction, and assure yourself and your family of all the hot water you need, when you need it.

**HURRY!** This offer ends June 26

(Available only to PP&L customers.)
