

Visits With Mrs. Stengel.

While visiting the New York World's Fair last Saturday, David Greer being an avid baseball fan, decided he had enough of the fair and took off for the Mets stadium.

While waiting in line to buy his ticket, a policeman tapped him on the shoulder and asked him if he was alone. When David answered that he was, the cop said, "Here's a ticket to the game. David was not only happy to get this "break" but surprised to discover that it entitled him to a seat in the box with Mrs. Casey Stengel and friends. He soon became acquainted with Mrs. Stengel and was introduced to many baseball celebrities.

He could stay only long enough to see the first half of the 6th inning as he had to leave to meet the bus. On his

way out he saw a little boy stretching his neck trying to see the game. David handed him his ticket stub and told him to go in and see the rest of the game—another happy boy.

N-S Annexation Papers Drawn

Although it may not be presented at the next meeting of the Mount Joy Borough Council, formal petition by National - Standard company to annex its holdings to the Borough have been prepared.

Council will hold its September meeting on Monday, the 13th, but that may be a few days too soon to place the matter in the official hopper.

Several weeks ago National-Standard's officers in Niles, Michigan, voted favorably to ask for annexation of its fine, new facility located at the eastern edge of the borough.

Preparation of a petition was placed in the hands of a Lancaster attorney, who last week completed the legal details.

Necessary papers were mailed to the company headquarters for signatures.

However, because of the holiday this week and necessary elapse of time, it appeared questionable whether or not the petition could be ready for presentation on Monday night.

National-Standard owns a sizable tract of land which lies immediately adjacent to the eastern borough line (east of Haines service station.)

Charge 68

(From page 1) some of the newer and better paved streets — Manheim street, Angle street, Donegal Springs road, etc. etc.

Chief Kline said that "speeding" carries a fine of 10 and costs, totaling \$15.

He indicated that some of the 68 people who were "tagged" Saturday may contest the charges in court. But, he said that equipment and the method of operation are legal and that checks were properly made.

CHICKEN BARBECUE

A chicken barbeque will be held at the Mastersonville Fire Hall on Saturday, Sept. 11, from 4 to 8 p.m., rain or shine. Childrens portions and take-outs will be available.

Donegal Faculty Holds Picnic

Faculty, administration and other Donegal school district employees were feted at an outdoor picnic supper Sept. 2 at the Sico park.

The picnic, sponsored by the DHS school board, was catered by Hostetters. The school board, headed by J. Edw. Charles, has provided the picnic as an annual occurrence for the past several years. It provides an opportunity for new faculty to meet the school board members and gives all members of the school staff a chance to become reacquainted at the start of the school year.

Members of the Donegal School board, in addition to Charles, include Angelo Albano, Dr. Thomas Mariner, Martin Musser, Roy E. Longenecker, Musser Heisey and Dr. David E. Schlosser.

Meet Teachers Program Planned

"Meet Your Teenager's Teachers" again will be sponsored by the faculty and administration of Donegal high school on Monday evening, Sept. 27.

The program, initiated last year, gives parents of children enrolled at DHS a chance to meet their children's teachers and to learn something about the program of study in which their children are engaged.

Teachers, parents, and administration termed the program a success last year. Commenting on last year's program Principal John Hart said, "We received much favorable response both from faculty personnel and from the community and are looking forward to continuing this venture in improving parent-teacher-student relationships."

All parents are invited to participate in the program again this year. More specific details regarding actual program will be released later.
