

by R. A. R.

Slowly but surely, homes in the Florin area of Mount Joy are being connected with the sewer system. And—the feeling of satisfaction is almost universal.

We note that many of the people who were not too enthusiastic about the Florin annexation and sewer projects have already "hooked up" and are reported to be happy about the improvements.

Any number of people have told their friends and neighbors how happy they are to have showers and at least partial bathrooms in their basements.

They mention the feeling of security they now have after eliminating sumps in their basements and they are proud of the convenience of having basement drains which allow them to use the hose to scrub down their cellars.

The convenience and satisfaction, plus the feeling that they now have freedom from sewer problems, has been expressed time after time.

Some grumble about the money and some perhaps have been hard hit financially to meet the bills. But even those people acknowledge the worthwhileness of the sewer project.

And—if we may—we'd like to say again that the Florin area has been patient and understanding about the many problems connected with the installations. There has been dust and mud, noise and inconvenience, distress and hard work. But, the people involved have been very cooperative and by their own tolerance have helped get the job done as quickly as possible and as satisfactorily as possible.

It has and will continue to be expensive. Some will be making installment repayments for borrowed money for many months. But the community feeling of accomplishment and of satisfaction is something of which the entire community can be proud.

What would you think of the idea of having a Mount Joy band?

There are those who think it would be a good idea and are interested in "doing something about it."

STORY HOUR

Story Hour at the Mount Joy Library Center will begin its fall season on Tuesday, Oct. 5.

A weekly feature, the activity begins at 9:30 a.m.

Close Agriculture Course at D.H.S.

Agriculture as a course of study at Donegal high school is no more!

The ag rooms and ag shop are closed and being dismantled and the surplus equipment is being offered for sale.

Closing of the course came after a long and serious consideration of the local situation and after much community participation in the decision.

In the past, enrollment in the ag course has been something near 20 boys and has remained at that figure over a number of years.

Last year there were 18 or 19.

However, this year, only one boy in the entire school district has indicated that he wants to continue agriculture as a high school course of study.

He has been transferred to Elizabethtown on a "tuition paid" basis by Donegal. Arrangements were made with Elizabethtown school officials several weeks ago.

The FFA organization — the Witness Oak chapter — is being dissolved, the assets &

'Of This and That'

by the editor's wife

"The goldenrod is yellow—The corn is turning brown, The trees in apple orchard With fruit are bending down"

And beautiful Lancaster County is busy gathering in one of its most bountiful harvests in several years!

Leaves of the tobacco plants are almost unbelievably broad and thick! The corn crop looks unusually tall. Hay is stored away into every nook and cranny of the barns. Tomatoes, peaches, plums, potatoes, apples — all are of superior quality and generous quantity!

Truly, "the garden spot" is living up to its reputation this year!

In spite of the record breaking heat wave, autumn sneaked into our midst on Tuesday. Green grass and blossoming flowers to the contrary, the season of frost and colored leaves is just around the corner!

As we sat on the cool hillside of a beautiful farm on Donegal Springs Road Sun-

Girl Injured In Accident Returned Home

Jane L. Kehler, 15-year-old daughter of Mr. and Mrs. John D. Kehler, Mobile Village, is about the luckiest girl in the community.

After surviving a dramatic accident on Saturday afternoon, Sept. 11, when she was knocked out of a telephone booth by a truck, she is now at her home on R.D. 2 and improving nicely.

She returned from the St. Joseph hospital on Saturday, the 18th, but will not be able to return to school at Manheim Central high school where she is a sophomore, for another two weeks.

She suffered no broken bones but many cuts and bruises.

Jane was inside a telephone booth at Main and Barbara streets when a truck driven by William C. Schwartz, Fruitville Pike, ran out of control and literally flattened the communications structure, which is almost entirely glass sided.

Schwartz told police later that he had no recollection about the accident.

Poplar St. Holds Picnic

The spacious lawn of Mr. and Mrs. Warren Heisey, 107 Poplar St., Mount Joy, was the scene of a picnic Sunday afternoon, Sept. 19, for the Poplar street residents. The 42 attending enjoyed an afternoon of fellowship and good food.

The following were present: Mr. and Mrs. Charles Ruhl and children Becky, Johnny and Mary Kathleen; Mrs. Raymond Keller, Joe & Andy; Mr. and Mrs. Jerry Miller, Cindy and Keven; Mr. and Mrs. Clyde Eshelman; Mr. and Mrs. Richard Divet;

'Miss Lancaster County'

Miss Donna Ann Ray, Joy Junior Chamber of Commerce daughter of Mr. and Mrs. Charles Reuter, 101 River St., Maytown, will be Mount Joy's entry in the Saturday night, Miss Lancaster County contests, to be held at Ephrata

She will give a monologue as her talent presentation. Selected as Miss Mount Joy during the Miss Mount Joy contest on Memorial Day Donna represents the Mount

There will be nine other young ladies in the Saturday night contest which will be held in the Ephrata Union high school auditorium, beginning at 8 p.m. Ephrata Jaycees are the sponsors.

Miss Ray is a freshman at Millersville State college. She is five feet, three inches tall and weighs 114 pounds.

E. Musser Heisey Resigns From School Board

E. Musser Heisey, Mount Joy R2, senior member of the Donegal Union School Board, has resigned.

He tendered his resignation Thursday night, Sept. 16, at the monthly meeting of the board, held in the library of the Donegal high school building.

The resignation was accepted with "great regret" by the other members of the board, who are charged with the responsibility of selecting a replacement. No action on

Heisey represented Mount Joy township on the board, had been a school director of Mount Joy township and later was a representative of the township in the Donegal jointure and now in the Union district. He had served a total of 24 years.

No other present member of the board has served as long. Dr. David Schlosser has been a director for 18 years.

Heisey has been serving as chairman of the public relations and transportation committees of the board and was a member of the Lancaster County School Board. He resigned from the latter post earlier last week.

In tendering his resignation, he said that other responsibilities are taking a great deal of his time and energy and that it has been necessary to discontinue some activities.

The Board of Education last week awarded a contract to Roy Ressler of Mountville to do certain ventilating renovations in the Annex building at a cost of \$1,671, which was the low bid of three submitted.

Another repair contract was ordered to be rebid when it was discovered that specifications were inadequate.

Supervising Principal Wilbur I. Beahm said that the district is now transporting several children to the Kraybill school. They are being picked up along Route 141 by Donegal buses which also pass the Kraybill school without rerouting. To accommodate the children additional stops are necessary but no mileage is added, he said.

Some time ago the board expressed the opinion that perhaps its policy on class trips should be re-evaluated. The matter was placed last week into the hands of the committee for study.

Two bus shelters, at a cost of approximately \$170 each, were ordered built.

ENLISTS

Brady David Hess, son of Mrs. M. D. Hess, 215 Marietta Ave., has enlisted into the U. S. Army for a period of three years. He enlisted into the Army for schooling in Auto Maintenance and will receive his basic training at Fort Jackson, S. C. Prior to enlisting, Hess was employed by Stehman & Herr's Service Station. He had attended the Donegal high school.
