A sign we read at an intersection recently:
SLOW PICNIC AHEAD
I never did believe in speeding up picnics.
Nowadays, a gal needs a good line when she fishes for compliments.

A chip on the shoulder is the heaviest load you can carry.
To preserve a friend three things are required: To honor him present, praise him absent and assist him in his necessities.

Antiques Appraising
We appraise or buy one piece or the entire estate.
Call us and be sure!
