## 'Parable' Movie To Show Here

"Parable", the outstanding color film featured in the Protestant and Orthodox Center at the World's Fair will be shown in Chiques Methodist church, Rte 230, East of Mount Joy, on Sunday evening, Oct. 24, at 7:30 p.m.

The film has been called "eloquent" by Time Magazine. Newsweek said "It is very probably the best film at the Fair" It was produced by the Protestant Church of the City of New York and filmed at Baraboo, Wisconsin at the Circul World Museum.

Since there are no words in the film the interpretation depends upon what each person brings spiritually to it. It is designed to encourage the study of the Scriptures and the deepening of insight into the meaning of the Christian Faith.
