

Engagements

LYNN MARIE WALTER

Mr. and Mrs. John F. Walter, 522 Seminole Drive, Erie Penna. announce the engagement of their daughter, Lynn Marie, to Arthur Ronald Schneider, son of Mr. and Mrs. Arthur F. Schneider, 147 Manheim Street, Mount Joy.

Both Miss Walter and her fiancé are seniors at Grove City college where she is an executive secretarial major and he is a business major. The couple plans to be married on June 25 in the Church of the Covenant in Erie.

FLORY — EYSTER

Mr. and Mrs. Philip W. Eyster, 1953 New Holland Pike, have announced the engagement of their daughter, Miss Dorothy Sue Eyster to C. Edwin Flory, son of Mrs. Elizabeth S. Flory, 202 East Main St., Mount Joy.

Miss Eyster, a graduate of Manheim Twp. high school, is a senior at Endicott Junior College, Beverly, Mass.

Her fiancé, who graduated from Donegal high school, is employed by R. R. Donnelley Printing Co., Lancaster.

KOSER — LIEBICH

Mr. and Mrs. Carl R. Liebich, Cherry Hill, New Jersey, announce the engagement of their daughter, Roberta Liebich, to Henry J. Koser, of Cooper Ave., Landisville.

Miss Liebich was graduated from Cherry Hill high school, and is a senior at Elizabethtown College, where she is a member of Phi Beta Chi, science organization.

Mr. Koser graduated from Hempfield high school, class of '61 and in 1965 from Elizabethtown College.

He is a student at Philadelphia College of Osteopathy, where he is a member of Phi Sigma Gamma fraternity.

The couple plan a June wedding.

LEAMAN — EBERSOLE

Mr. and Mrs. Daniel K. Ebersole, Mount Joy, have announced the engagement of their daughter, Miss Grace H. Ebersole, to James H. Leaman, son of Mr. and Mrs. Daniel D. Leaman, 105 Chestnut Street Brookline, Mass.

COMMISSIONED

Ronald A. Mason, a university of Kentucky senior from Mount Joy, has been commissioned second lieutenant in the U.S. Army Reserve during ceremonies at the University of Kentucky.

Dr. M. M. White, U.K. professor in the College of Arts and Sciences, was principal speaker at the joint U.S. Army and U.S. Air Force commissioning.

Mason is the son of Mr. and Mrs. Robert G. Mason, Mount Joy R1. He was graduated from Wilson high school and is now enrolled in the College of Engineering at UK.

Double Wedding for Twins

Mr. and Mrs. Donald S. Staley, 235 Park Ave., announce the engagement of their twin daughters, who plan a double wedding in July.

Jean Alice Staley is engaged to John Woodbridge McLean, son of Mr. and Mrs. Robert McLean, of 201 Blue Ridge Road, Anchorage, Ky.

Joan Ann Staley is engaged to Hugh Donald Henderson, son of Mr. and Mrs. Hugh Henderson, 17 Wheeler Ave., Pittsburgh.

The twin sisters graduated from Donegal high school in 1962 and are seniors at Catawba College, Salisbury, N. C. Jean Alice Staley is majoring in history and secondary education, and Joan Ann Staley is majoring in commercial education.

Mr. McLean graduated in 1957 from Crafton high school, Pittsburgh, and in 1961 from Columbia University, New York City. He

served two years in the U.S. Army and is employed at Aetna Insurance Co., Louisville, Ky., as an insurance underwriter.

Mr. Henderson, also a '57 alumnus of Crafton H. S., will graduate from Catawba College in January, with a major in accounting and English.

NANCY LOUISE WING

Mr. and Mrs. Stephen Remington Wing, Jr., of Rosemont, Pa., announce the engagement of their daughter, Nancy Louise Wing, to David Eugene Greer, son of Mr. and Mrs. Adam Howard Greer of Maytown.

Miss Wing attended the American School of Paris, France, and is a graduate of Harriton high school, Rosemont. She currently is attending Gettysburg college, where she is a member of Alpha Xi Delta sorority.

Mr. Greer is a 1962 alumnus of Donegal high school, and is a member of Phi Sigma Kappa fraternity and the national honorary Arnold Air Society. He is the grandson of Mrs. Joseph Ashton Greer, of Columbia, and the late Mr. Greer and Mrs. Christian S. Brandt, of Maytown, and the late Mr. Brandt.

A late summer wedding is planned.

Of This 'n That

(From page 1)

and who was our close neighbor for ten years; It seems that Mrs. Denk and Mrs. Hayles became acquainted when they were both staying at the same Inn in Excelsior Springs, Mo., about seven years ago. They have exchanged Christmas cards and messages ever since, and this year Mrs. Denk mentioned that old neighbors of hers lived in Mount Joy. Mrs. Hayles was kind enough to drop into the Bulletin to tell us of the coincidence!

Also in the "small world" department is the fact that Morrell Shields, Mount Joy musician (and chess player par excellence) is now in the process of playing a chess match with a resident of the USSR!

How can that be, you say? It's simple—by mail. The Russian advertised in a national chess magazine for an opponent, and Mr. Shields offered. He received the following interesting letter a short time ago:

"I would be very glad sending you chessbooks by Soviet authors. bulletins with the games of our grandmasters, books about our fine cities. I would be happy to receive magazines, Chess Review of 1963, 1964, 1965 and til 1957 years; several dictionaries, (geographical and others); the books on adventure fiction.

"By the way, would you mind sending moves on picture postcards? Best wishes, V. A. Lyublinsky, Moscow,

USSR."

How long will it take to complete the match? At the average rate of mail exchange, Mr. Shields estimates it will take at least two years!

An interesting sidelight on the Christmas tree fire at the Elizabethtown high school just before the holidays came to us from a Mount Joy doctor and his wife. They were in the crowd attending the basketball game when the tree caught fire out in the hall.

The doctor's wife told us: "One of the school officials went out onto the playing floor and told the referee what had happened. He stopped the game. The crowd sensed that something was wrong, though they couldn't see the fire.

"There was a moment of near-panic. Then a group of young men whom we knew, veterans of Army service, and one-time Boy Scouts, stood up in the audience and one of them told the crowd: "Wait a minute, now. There's nothing to be alarmed about. There is a fire, but it's under control. Stay in your seats, and all will be well."

"The crowd listened, obeyed—and there was no disaster, thanks to the quick thinking of those young men!"

ROALD L. COOKE

Airman Ronald L. Cooke, son of Mr. and Mrs. Lloyd G. Cooke of 227 North Market Avenue, has been selected for training at Keesler AFB, Miss., as an Air Force communications specialist.

The airman, a 1964 graduate of Donegal high school, recently completed basic training at Lackland AFB, Texas.

Airman Cooke attended Elizabethtown College.

Honor Years of Service

Oscar H. Achey, member of the Manheim Borough Council for the past 16 years and president for the past 12, was honored at a testimonial dinner recently at Evans Restaurant in Manheim.

Achey, plant manager at Raybestos - Manhattan in Manheim, did not run for reelection in the November election.

The dinner, planned by the council, was highlighted by the presentation of a desk pen set to Achey from the council, and a citation from Post 5956, Veterans of Foreign Wars.

Achey, who lives at 79 N. Charlotte St. in Manheim, was cited for many accomplishments of the council under his leadership.

These included purchase of land and development of Memorial Field in the community, the purchase of the first police cruiser and covering all borough employees in a Social Security program from 1950 to 1953.

In 1954, when Achey was elected president of council, a new lighting system was installed on all city streets and the budget of the council was nearly doubled from \$5,000 to \$11,000.

Additional ground was purchased for Memorial Field, the public borough dump was closed, a borough utility building was constructed, and work was begun on construction of the community swimming pool from 1955 to 1957.

From 1958 through 1961, the borough floated a \$105,000 bond issue for extension of sewer lines; bought the water company for \$595,000; hired a full-time borough executive secretary and created a borough planning commission.

Celebration of the bicentennial, a change in tax structure and refunding of a bond issue highlighted council activities from 1962 to the present.

In his recommendations to the council, Achey suggested that the council "construct a feasible budget and work and plan by it"; continue good public relations; and sponsor an education program for the public concerning refuse collection and burning.

Achey, a graduate of Gettysburg College, is also a member of the Manheim Lions Club, the Urban Lea-

gue, and has been active in community athletic affairs.

The Manheim Borough Council voted to accept the annexation of a 22.5-acre tract of land to the borough from Rapho Township.

The land is located north of the borough and its annexation was based on an agreement that it would be used for residential development, council reported.

Council announced that acting tax collector James Tribble will resign Jan. 1. He will be succeeded by Melvin B. Peiffer, who was elected to the post in the November election.

Council reappointed Wilbur Miller, a Lititz certified public accountant, as borough auditor.

The sewer committee was authorized to ventilate the sewer stations, pending approval of the borough engineers.

Booster Cluc Dancs

The Booster Club of Donegal high school, under the supervision of Martin Shenk, will sponsor the first dance of the 1966 school season. Labeled "Winter Wing Ding" the dance will be held from 8 to 11 p.m. Saturday, Jan. 15, in the high school gymnasium.

The guest band for the dance will be the Tranells of Lancaster.

Students may take as many guests as they wish if they sign the guest list either in the D.H.S. guidance office or in the main office.

Vacation Study

Studying about electronics during part of his Christmas vacation was Henry H. Hackman, Donegal's high school's chemistry and physics instructor. He was one of 156 teachers from nearby states who participated in the fifth Science Workshop held at Fairleigh - Dickinson university in Madison, N. J. Hackman was one of 34 teachers who chose the electronics & physics workshop.

The program was designed to provide the participant with practical laboratory experiences in the use of modern techniques and instrumentation with emphasis on their applications to the teaching of science.

When in need of printing remember The Bulletin.
