Mount Joy Borough faces the problem of hiring a

Last week Officer Sylvester Swords resigned to take another job and the reason given was "wages and working conditions."

The official interpretation given is that Swords has been offered more money at the Lancaster County Prison as a guard than the borough can pay him as a beginning patrolmen. Too, the explanation is that "he will work 40 hours and then have time for some extra income as a constable."

These things are, apparently, true and there is no reas-But as with all things, there has completed arrangements on to disbelieve or to challenge them.

> Unhappiness began many months ago but recently the situation grew more tense as the borough council drew up its 1966 budget.

> Pay raises were worked out for several borough employees, as well as for the police. When the raises finally were voted by the council members, the question of when the raises were to become effective was not included in the official motion.

> The question "when do the raises become effective?" was posed by a non-member of the council. Without even asking any other member of the council, without giving the
