The home is a farm located in an isolated area in the hills of Berks county, Tulpehocken Twp. We chose electric heat because my wife is a working wife

... a working wife. I wanted her to have as little work and household worries as possible—and so electric. We wanted guaranteed trouble-free control. You can't beat electric heating for cleanliness and automatic control. I recommend that you go electric, too. It's the 1¢ heat. MR. BUILDER—Tell your builder you want to be sure you want the best, you want electric heat. IF YOU ARE MODELING—Call a Reddy Kilowatt Recommended Home Heating Dealer, for an estimate.
