SEVEN CENTS

We hear by the grape vine that one of the community's patriotic organizations has taken kindly to the idea of having American flags for kiddies on the day of the Memorial Day parade.

The plan is to distribute several hundred small flags, encourage the youngsters to wave them and to take them home as patriotic souvenirs of the day.

Probably the "hottest" item going around town this past week has been the discussion about the proposed route for the Memorial Day parade.

After an announcement was made several days ago, there was plenty of talk about the matter, including a lot of unhappy remarks about bringing the line of march from Florin to Market street and turning north.

Tuesday night there was "official" talk and by late that night there were other plans afoot.

Actually, it still is too early to announce officially how the parade is going to be handled.

The real problem in Mount Joy when parades are being planned is to figure out how to handle the detour for the ordinary through traffic.

On holidays — the usual time for parades — the traffic is especially heavy and arrangements for sending cars, trucks and buses over back streets is pretty tough. It is not the same story it was just a very few years ago.

To handle a parade and the detours requires something like 50 men.

Holding a parade in Mount Joy—and including the Florin area—will be greatly simplified when the new Rt. 230 bypass is completed.

## Baseball Indians Drop Two

Donegal's Indians dropped a pair of baseball decisions this past week—to Hempfield and to Elizabethtown.

Tuesday afternoon, in the home opener, the Tribe gave up a 3-2 battle to E'town.

The Bears pushed across a run in the top of the ninth to turn the trick after the game had gone 2 - 2 since the fourth.

Epler gave the winners six hits and two walks and fanned nine. Railing gave five blows, struckout 16 & walked three.

Donegal's safe hits were by R. Gohn, Reuter, Stehman (3), and Hean.

Scoring in all but the first

## SICO Gives Student Scholarships

Two girls from this section of Lancaster County are among the students named to receive the 1966 SICO Foundation scholarships.

They are:

Lorraine S. Dombach, senior in Donegal high school, daughter of Mrs. Earle Dombach, Mount Joy R2; and

Roberta L. Shearer, Elizabethtown high school senior daughter of Mr. and Mrs. Robert C. Shearer, Elizabethtown R1.

Each scholarship is in the amount of \$1,200, given in \$300 yearly grants to recipients chosen on the basis of scholarship, participation in extra curricular activities and financial need.

Those chosen are among a list of young people in Lancaster, York, Lebanon, Dauphin, Chester, Adams, Berks and Cumberland counties who expect to become elementary school teachers.

## Band Parents Elect Officers

Officers elected for the '66-67 term of the Donegal Band Parent club Monday night at

the high school were: president, Lloyd Cooke; vice president, Mrs. Snyder; secretary, Mrs. John Presto and treasurer, Mrs. Charles Shoemaker. The group viewed the sample uniform for the new band suits and chose accessories for the costume. Uniforms will be purchased by the school board and should be available for the fall term.

In other business Irvin Smith, a representative of the Walter S. Ebersole Post, American Legion, presented the club with a new American Flag. The colors are the same size as the school flag and an aluminum pole with an eagle also was included with the gift.

Six remaining majorettes will be eligible to attend twirlers camp this summer it was announced and a committee was named to arrange a trip for the band members.

## Hear Foreign Student

A delightful bit of New Zealand visited Mount Joy Rotary meeting Tuesday noon as "Candy" McGrath spoke to the group, showed pictures of her home land and captured the hearts of all the men present.

Participating in a student exchange program, "Candy" came to Lancaster county last fall and has been a senior at Manheim Township school while making her home with the Clarence C. Newcomer family.

With poise, dignity and

ability much beyond her years, she told of her homeland, her family and of her coming to Lancaster,

Later, during a question and answer period, she said that one of the nicest things about this area is the warm welcome she has had. Although she had expected, she admitted, to be homesick, she was not and has felt completely at home with her Lancaster "parents" and her new family.

On the other hand, she admitted, it has been hard to understand exactly what Americans mean, sometimes. Frequently, they do not say what they mean and at times say exactly the opposite, she pointed out.

Americans, too, she said, are very materialistic, a trait she attributed to our capitalistic society. She lives, she reminded in a socialistic state. This difference in methods, she said, probably explains the fact that American approaches do differ from New Zealand.

The speaker was introduced by Clarence S. Newcomer.

## Chorus Musical

"The Lowland Sea" by Alec Wilder, will be presented by the senior chorus of Donegal high school on April 29 and 30 at 8 p.m.

The spring musical, with the setting in a New England coastal fishing village, describes the conflict which arises when a sailor's wife remarries assuming that her first husband has died at sea. What takes place when her husband returns provides the plot interest of the production.

Appearing in lead roles are Lucy Eshelman as Dorie; Ted Fellenbaum as Johnnie; Michael McDowell as Nathaniel. Kieth Brightbill will portray Captain Jesse. Terrie Gemberling and George Broske will accompany the vocalists.

Also to be heard are selections by the ninth grade chorus also under the direction of RoAnn Lau.

## Dies In Automobile Crash

A 53-year-old Mount Joy man was killed instantly in a headon crash on Rt. 30 about three miles east of York about 8:10 p.m. Saturday night, April 23.

The driver of the second car involved in the crash was admitted to the York hospital suffering a fractured jaw, right eye injury, and possible chest and internal injuries.

State Police at York said Melvin K. Wade, 202 West Donegal St., Mount Joy, was believed killed instantly, sustaining a broken neck and internal injuries. York County Coroner Dr. H. M. Read pronounced the man dead at the scene of the accident.

Richard Myers, twenty-one, 235 Vine St., Wrightsville, was taken to the Memorial Osteopathic hospital, and then transferred to the York hospital by the Springettsburg ambulance. His condition was listed as critical. Both drivers were alone when the accident occurred.

The accident took place in front of the Brownstone pitch and putt golf course, a half mile west of the Sword and Shield restaurant.

State Police said the Myers car, which was traveling east, apparently veered into the passing lane of the three-lane highway and collided with the left front section of the Wade car. Both cars were demolished in the accident.

Born in West Hempfield Twp., Wade was a son of Galen Wade, Mount Joy R1, and the late Lillian Kneisley Wade. He was a resident of Mount Joy 24 years.

A veteran of Word War II, he was employed by Armstrong Cork Co. 25 years and was a member of the AFL-CIO labor organization at the plant.

In addition to his father and his wife, the former Arlene Horst, surviving are two daughters: Shirley, wife of Robert Miller, Baltimore, Md. and Wannette, wife of Theodore Greiner, Columbia R1. Also surviving are four grand children and a brother, Chester Wade, Sandusky, Ohio.

Funeral services were held Tuesday afternoon, April 26, from Nissley funeral home and burial was made in the Silver Spring emetery.

## Register for Kindergarten

Registration of children living in the Donegal School District who will enter kindergarten classes for the school year 1966-67 will be held according to the following schedule:

Marietta — Tuesday and Wednesday, May 3 and May 4 from 9 to 11:30 a.m. and 1 to 3 p.m.

Maytown — Monday, Tuesday, Wednesday, Thursday, Friday, May 2 to May 6, from 9 to 3.

Washington — Thursday, May 5, from 9 to 12.

Grandview — Tuesday, May 3 from 9 to 4.

Seiler — Monday, May 9 from 9 to 4.

There may be considerably less "waiting in line" at Seilers and Grandview schools if children whose last name begin with the letters A thru I would be registered in the morning and those whose last names begin with J thru Z were registered in the afternoon.

Children must be five years of age on or before January 31, 1967, to be eligible to enter the kindergarten in September of 1966.

Birth certificates will be required at the time of regis-

tration. Vaccination certificates, if available, should be submitted at registration time or before the beginning of school. A listing of the pupil's childhood diseases and immunization program also would be helpful.

## Recognition To School Paper

The "Tribe News", the Donegal high school newspaper, has received a second class rating in the 74th all-American Newspaper Critical Service of the National Scholastic Press Association.

More than 1,000 student publications from high schools all over the nation are judged by NSPA in groups divided by enrollment, frequency of publication and method of printing.

Second class ratings are average in quality. Entries are judged in all areas of production from coverage through writing and makeup.

Editor of the "Tribe News" is Marilyn Baker, of Marietta daughter of Mr. and Mrs. James R. Baker.
