Chorus to Give Spring Musical

The senior high chorus of Donegal high school will present a spring musical featuring "The Lowland Sea" by Alec Wilder April 29 and 30 beginning at 8 p.m. in the high school auditorium.

With the setting in a New England coastal fishing village, "The Lowland Sea" describes the conflict which arises when a sailor's wife remarries assuming that her first husband has died at sea. What happens when her former husband returns provides the plot interest of this musical production.

Appearing in lead roles will be Lucy Eshelman as Dorie; Ted Fellenbaum as Johnnie, Mike McDowell as Nathaniel; and Keith Brightbill as Captain Jesse. Terrie Gemberling and George Broske will be the accompanist.

Also featured on the program will be several special numbers by the ninth grade chorus. The entire concert is under the direction of Mrs. Ro Ann Lau.

Additional positions in the areas of photography and art as well as editorial writing positions will be filled at a later date.

The 1966 Emerald will be available in September and was produced with Lucy Eshelman, editor-in-chief. The new Emerald staff will begin production of its annual at the beginning of the next school year.

Pushes State for Bypass

State Representative Jack B. Horner attended the recent hearings in Harrisburg held by the State Highway Commission on additional road needs for the Lancaster county area.

Horner stated that his primary interest was to make sure that no action taken in the hearings would in any way jeopardize the current status of the Route 230 by-pass, which was programmed by the highway department last year.

The current hearing didn't deal with roads which had already been programmed by the highway department; however, he stated that Rte. 230 could have become an issue if any attempt had been made to have it removed from department planning and replaced with another as yet unprogrammed road.

Horner is happy to report that this did not occur and, in fact, there was complete agreement on the Route 230 by-pass as well as all other road improvements which have already been programmed for the county.

Senator Richard A. Snyder also attended the hearings and urged that methods of speeding up highway construction in the county be explored.

Following the hearing, Horner consulted with officials of the highway department concerning progress on Route 230. The department indicated that final engineering is now in process and that it has issued instructions to the engineering firm to rush work on the eastern leg of the new road so that work can be started at the earliest possible date.

BPW Holds April Meeting

Rev. G. Edgar Hertzler, pastor of St. Paul's E. U. B. church, Elizabethtown, was the speaker for the April meeting of the Mount Joy Business and Professional Women's Club, held Monday, April 25, at Hostetters.

His topic was "Religion & Moral Aspects of Personal Development."

The speaker was introduced by Mrs. A. H. Weidman. Miss Lucy Eshleman, one of the Girls-of-the-Month, presented vocal selections from the opera, "The Lowland Sea". She was accompanied by Mrs. George Broske.

Miss Joan Aument, 22 W. Donegal St., daughter of Mr. and Mrs. Clayton Aument Jr. was introduced as Girl-of-the-Months by Mrs. Edw. Grimsey.

Special guests at the meeting included Miss Jeanette Espenshade, Red Lion, Director of District 7, and Miss Mayme McDowell, Dalls-town. Mrs. Gail Sullivan, of Lancaster, invited members to participate in a secretary's workshop to be held on April 30 in Lancaster.

The Personal Development Committee was in charge of the meeting. Mrs. Robert Brown is chairman of the committee which includes Mrs. Woodrow Fitzkee, Mrs. John Gates, Mrs. Edw. Grimsey, Mrs. Vera Newcomer, Miss Lois Rohrer, Mrs. John Way, and Mrs. A. H. Weidman.

Named Captain Of Fund Drive

Clair H. Hoffman, general manager of the Christian Light Bookstore at Elizabethtown, has been named captain of the Mount Joy and Elizabethtown section of the \$560,000 Messiah College Hall of Science Fund.

The announcement was made by Harrisburg attorney Harry G. Banzhoff, who is chairman of the primary gifts division of the campaign.

John C. Tuten, president of the National Bank and Trust Company of Central Penna., is general chairman of the fund drive to provide a new science teaching and research facility at the liberal arts college located in Grantham.

Banzhoff noted that contributions are being sought from selected individuals and groups in an eight county area including Adams, Cumberland, Dauphin, Franklin, Lancaster, Lebanon, Perry and York counties.

Four of every five traffic accidents in 1965 could have been avoided. The major cause of death and destruction on U. S. Highways, says Traveler, is driver error and lack of judgment.
