

## Angelini & Groff

Angelini & Groff has two locations to better serve you. At Lancaster, R.D. #7 near Rocky Springs Park, phone 393-5671 and on Route #72 at Lebanon-Lancaster Turnpike Interchange, phone Lebanon 273-2890.

There you will find one of the largest stock of new, re-conditioned and used auto & truck parts in this section of the state.

We wish to compliment the management of Angelini & Groff on rendering the peo-

ple of this area new and used parts at reasonable prices.

They will pay the highest prices for late model wrecked cars. They also have a large stock of used auto glass, gears and transmissions. You can get expertly rebuilt carburetors, generators, starters, radiators, fuel pumps, water pumps, and automatic transmissions, valves, etc., at the lowest prices anywhere. If you need a rebuilt engine and want to be able to depend on it, be sure you

see this reliable auto parts establishment first.

Don't spend a lot of time looking around for parts when you have access to the large stock at Angelini and Groff. Phone them first when in need of anything in the automobile or truck parts, either new or used.

Phone them in Lanaster at 393-5671 and in Lebanon at 273-2890. We highly recommend this fine firm to all our readers.

## Harry A. Ressler, Inc.

"For All Your Parts Needs"

## Coca Cola Bottling Company, Inc.

The Coca Cola Bottling Company is located at 417 East Ross Street in Lancaster, phone 393-0631. Coca Cola is the year around beverage which may be readily seen by the activity of trucks of this up-to-date modern bottling plant. They are seen the year around busily carrying this refreshing drink to the many retail outlets. This further proves their slogan, We know that its true, Things really do go better with coke. They are also bottlers and distributors of Sprite, the popular new

drink, without which no party or picnic is quite complete.

Coca-Cola is a pure drink of wholesome, natural products, complying with pure food laws all over the world. Automatically Coca-Cola is put into each sterilized bottle—machinery measures the Coca-Cola, then adds carbonated water, chilled to the exact degree that holds its life and sparkle. Nothing you eat or drink is more carefully protected. Coca Cola now comes in 12 oz cans with Flip Top lids. The success of

the Coca-Cola Bottling Company has not been accomplished by fad or luck, its business has been built gradually through many years of effort and hard work. They are also the bottlers of Tab, the one calorie soft drink that retains its flavor.

Many prefer buying Coca-Cola, Tab, and Sprite by the carton. For home use, Coca-Cola goes hand in hand with good things to eat.

This modern distributing plant is located in Lancaster at 417 East Ross St. Phone 393-0631.
