She went up and up. "Again, Daddy, again," until from her great height she looked down on a strangely distorted scene. Daddy was different from the top. Mommy was little and far away. Even the familiar old tree had hidden its friendly trunk and she caught her breath with a thrill of the unknown. I saw her expression change and suddenly there was a cry tinged with fear, "Don't Daddy!"

Church

I dropped back while the swing slowed down. She tumbled out of the swing into my arms and I realized that there was a vast and unfamiliar world ahead for my child, with many distorted themes. I looked across the house tops to a church spire and thanked God for a foundation of faith ... to guide her through the uncertainties ahead.

THE CHURCH FOR ALL. ALL FOR THE CHURCH The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
