

GO TO Church on Sunday

tennis
AND religion

It happened on the very first point as everyone knew it would. The champ was testing the challenger's backhand.

Champs are like that. Right from the start they probe for some flaw in the opponent's game. And when they find it — look out!

Life is just as probing and relentless. Quickly it uncovers our weaknesses . . . then assaults them again and again.

Is that why men go to church? It's one of the reasons!

Victories never come with glorying in our uncertain strength. They come with doing something about our proven weaknesses.

Long ago it became trite to observe that the Church is meant for sinners rather than saints. But it is sound Christian living to recognize honestly our shortcomings . . . and constantly, persistently to seek God's help in overcoming them.

THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
