An interesting note from the minutes of the Junior Chamber of Commerce meeting of July 12 — Under the heading "Old Business" is the entry "It was decided that action be taken on putting a welcome sign at the west end of Mount Joy."

The Chamber of Commerce has been talking about "welcome signs" for at least ten years — maybe more.

Bye bye, Beatles!

## Playground Program Draws Near Close

Mount Joy - Florin  
Puppets are always a favorite with the younger set. This past week the Florin and Mount Joy playgrounds made their own out of ordinary paper bags. Animals, clowns, people and monsters were only a few of the idea that the children came up with. Scraps of paper and crayon were their equipment and their imagination was their tool. Meanwhile, the older groups were fashioning jewelry out of tiny colored shells. Stars, circles, squares and butterflies were some of the things they made into pins and earrings.

This week will be spent finishing projects for the awards night.
