David G. and Barbara (Hartman) Portner, 216 East Donegal street, a son, Monday, Aug. 22, at St. Joseph's hospital.

Earl and Mollie (Fantom) Tressler, Marietta R1, a son, Saturday, August 20, at St. Joseph's hospital.

Carl and Janet (Myers) Lehman, 18 West High St., Maytown, a daughter, Monday, Aug. 22 at St. Joseph's hospital.

Of This 'n That

they were trying to rope the animal.

The girl made a pass at the steer, and captured him with the rope, but he was too strong for her and she had to let her end of the rope go. The man then rushed in, and with a motion like those often seen on T-V, leaned down off his horse, caught the end of the rope, and threw the steer to the ground.

The excitement had evidently been going on for some time, for many cars were parked along the road, watching the "show".

Why was the steer there, and why were the man and woman chasing him? We do not know, but presume he

SAMUEL LEE SHERTZER
Samuel Lee Shertzer, a graduate of Hempfield high school, class of 1966, grandson of Mr. and Mrs. John L. Zerphey, 339 Marietta ave., Mount Joy, has left for service. He enlisted recently with the U. S. Marines and has been sent to Parris Island South Carolina for training.

may have been a "runaway," and they were trying to return him to his home.

At any rate, when last seen by our "reporter," the steer was lying on a truck, all four feet securely bound.

A Wild West Show on a Lancaster County farm? Who says, "It can't happen here!"

Most of Mount Joy's summer travelers have returned or will be returning soon — including those who have been across the ocean—Miss Catharine G. Zeller, Mr. and Mrs. Herbert Sarver, Mr. and Mrs. Donald Eby and Terry Zeller, to mention just a few.

What tales they could tell! And how interesting it would be to hear them!

At last reports, Don, Joan and Terry were at Hitler's fabulous retreat in the Austrian Alps—just one stop in a summer-long tour that has included historic and beautiful places in England, Italy, France and a number of other countries.

How humdrum life will seem at home after all that! But, on the other hand, perhaps they will be glad to step back on the soil of their own country once again! Even after a European tour, it is probably still true that "There's no place like home!"

MOUNT JOY ON THE MOVE

'Big Ten' Goals

1. Completely, thoroughly, conscientiously, and without bias investigate the possibility of a borough manager for Mount Joy.
2. Buy and use a borough-owned street sweeper.
3. Build a borough building.
4. Pave and line the "west" Pennsylvania railroad depot parking lot.
5. Develop one or two new "neighborhood" parks in Mount Joy.
6. Improve Orchard Road.
7. Solve the Florin Hall problem.
8. Complete the codification of the borough's ordinances.
9. Make an honest and concerted effort to rid the borough of a few "eyesores."
10. Encourage public or private capital to launch a tourist attraction which will put Mount Joy "on the map".

Take Soundings On Weis Site

After two or three months of "hot" news stories about the possibility of having a new Weis Market in Mount Joy, local activity in that area has been relatively quiet for several weeks.

However, following the official announcement that the company does plan to locate a store here on the West Main street tract of land it had under option, certain necessary "paper work" is now being completed.

In the meantime, a few workmen have been on the site, between Orchard and Springville roads to do certain preliminary studies.

Soundings were taken to determine something of the nature of the earth under the surface to assist in building plans.

Properties owned by three different people are involved — Asher Beamenderfer, Jacob Stauffer and Ben Steker-vetz.

When in need of printing remember The Bulletin.

Help Clear Debris Following Barn Fire

Friends, neighbors and church brethren—as many as 100 people—gathered at the Joseph Hess farm Wednesday, Aug. 24, to do a huge job of removing rubble from the site of a \$60,000 barn fire.

With tractors, wagons, loaders and other heavy equipment, what remained of a big barn two miles north of Marietta on Route 141 was being removed and hauled to an old ore pit on the Hess and Wayne Stauffer farms.

Even the silo located at the barn was being taken down.

The Hess family has not decided whether the barn will be rebuilt, but the current thinking is that even if it is reconstructed, it will be on a different site.

Saturday afternoon's blaze was the fourth time since the turn of the century that a barn on the present location has been razed by fire.

Members of the family recall that lightning caused one fire and that there were two others.

When the fire was discovered Saturday afternoon, 80 head of newly-arrived steers were released from their pen

at the barn and they scattered across the neighborhood. Later, volunteer cowboys, held a roundup and by Wednesday of this week 79 of the 80 animals were accounted for.

Fire apparatus from Mount Joy, Florin, Rheems, Marietta and Maytown responded to the alarm.

Very little machinery was lost in the fire but a quantity of hay, straw and wheat was destroyed.

COMMUNITY COUNCIL

The first meeting of the new year for the Mount Joy Community Council will be held Wednesday, Sept. 7th, at the fire house.

Robert Kline, newly-elected president, will be in charge of the meeting.

Agent Qualifies

Ray D. Bair of 210 Frederick St., has qualified for the Star Club of the New York Life Ins. Co. and is attending a company meeting this week, along with his family, at the Grove Park Inn, Asheville, N. C.

He will meet with other company leaders and home office executives. Qualification for this event is based on agent's commissions during the year.

Since joining the company in 1963 Bair has been a consistent qualifier for company production clubs and in 1965 produced more than \$1,000,000 of life insurance. He also recently qualified for the National Association of Life Underwriters.

MOUNT JOY BULLETIN

Candidate For Poultry Queen

Lilli Ann Wivell, daughter of Mr. and Mrs. Clyde Wivell of Columbia R1, is one of six young women competing on Saturday, Aug. 27, for the title of Pennsylvania Poultry Queen. She will be representing Lancaster county.

The contest is being held at Hershey in connection with Pennsylvania Dutch Days and the annual Poultry Festival sponsored by the Pennsylvania Poultry Federation.

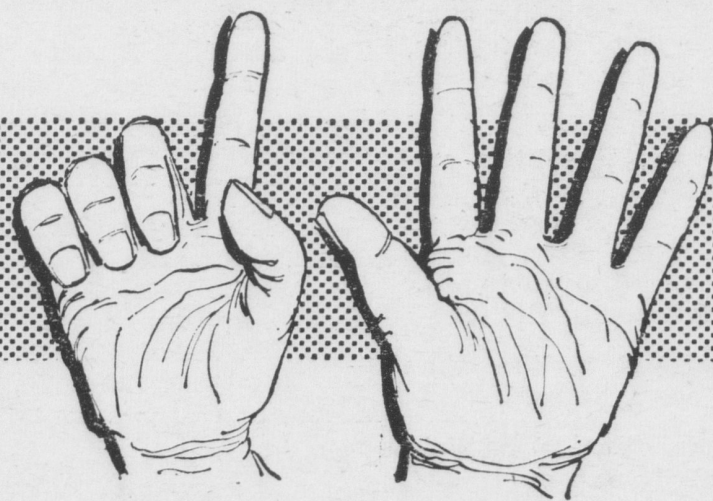

The judging will be held on Saturday afternoon at 3 o'clock in the Hershey band shell. Judges are to be Kay Cooper of Harrisburg, Lloyd Kaiser of Hershey and Jan Pettin of Lancaster.

Lilli Ann is a 1966 graduate of Donegal high school and was May Queen at the 1966 spring exercises.
