

GO TO Church on Sunday

Today, the earth. Tomorrow, the moon. What next? Even twenty years ago we would have found it hard to accept the idea of man going out into space—landing on the moon—consorting with the stars—hurtling around the earth. What will things be like twenty years from now, and what will we accept then?

Living on the threshold of the space age, it is easy to be carried away by the stranger-than-fiction events that happen every day. Because of this, we need more than ever the steady force of the Church in our lives. No matter what happens, we may be sure that the Church will continue to endure as it has through the centuries. God's House will be with us in all its majesty, as will His word.

Even the astronauts themselves have shown again and again that the Church is a deep part of their lives. Be sure to make and keep it a part of yours.

THE CHURCH FOR ALL • ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
