Naval Training Station, Great Lakes, Ill., were caught in the blizzard on the turnpike near Chicago this past weekend.

"It was dreadful!" Mr. Hendrix said. "Seven inches of snow fell in one hour, and it was 8 below zero, with the

wind blowing a gale! "We kept moving, but drove only five miles in one hour. Cars and trucks were stalled everywhere, and the snow was coming down so hard that you couldn't even be sure you were on the highway a lot of the time!"

Needless to say, the Hendrix family was glad to be safely back in Mount Joy,

with the snow experience behind them.

A pleasant interlude of the late winter season was enjoyed by many, many people in this area as they attended showings of the Ice Capades at Hershey, Feb. 15 - 25.

We were among the capacity crowd enjoying the ice spectacular last Thursday

It seemed to us unusually sparkling and entertaining this year — or were we seeing it through the eyes of one member of our family who had not attended an ice show for six years?

Be that as it may, we thoroughly enjoyed the innovation this year of watching the brilliant skaters skate in and

out of the huge colored movie that was thrown on the backdrop curtain.

It was ingenious, to say the least!

The smooth brother-sister team of Otto and Maria Jelinek . . . the incomparable Romayne and Steele . . . Tommy Litz, the Hershey boy . . . Freddie Trenkler . . . Hans Leiter . . . Spanky, the chimp . . . old favorites all — they put on a wonderful show!

The costumes were breathtaking, as always.

How lucky we are, to have two fabulous ice shows in our midst every year!

United Utilities To Up Dividends

An increase in the quarterly dividend and a proposal to authorize the issuance of 10 million shares of preferred stock has received approval of the Board of Directors of United Utilities, Inc.

The board, meeting at the company headquarters in Kansas City, voted to increase the first quarterly dividend of 1967 to 20 cents a share, up from 19 cents, to shareholders of record on March 28.

The indicated annual dividend rate of 80 cents a share is up four cents a share from 1966.

A resolution to amend the articles of incorporation and authorize the issuance of 10 million shares of preferred stock, with specific terms to be stipulated by the directors, was passed. The proposal is subject to approval by stockholders at the company's annual meeting May 25. The record date entitling stockholders to notice of and to vote at the annual meeting was set as April 17, 1967.

"This form of security is being recommended to our shareholders to provide additional flexibility in our acquisition program and in financing our record construction program," P. H. Henson, president and board chairman said.

Agreement in principle on the terms of a merger of Pioneer Telephone Company of Waconia, Minn., into the United Telephone System was announced.

The merger, expected to be completed later this year, will extend the United Telephone System into two new states, Minnesota and North Dakota.

Sir Valentine Elected at D.H.S.

Carl Hostetter, a senior enrolled in the Donegal high school business course, has captured the title of "Sir Valentine" in the contest held annually at D. H. S. Other candidates in the contest included Raymond Wagner, Dave Gerberich, Ken Smith and Bob Baker.

The above nominees were chosen by senior homerooms. The entire student body chose the winner of the contest by depositing penny votes in jars decorated for each candidate.

A total of \$24.41 was collected through the contest and will be turned over to Heart Haven in Lancaster.

Carl's activities have included participation on the Indian grid team. He wrestled at 180 lbs. and occupied the right guard position on the football squad. He also has maintained a berth on the tennis team throughout his high school career.

PLENTY OF PEDALERS

America has 60 million bicycle riders.

The worst feature of the Vietnam war is lingering doubt about each American death — whether it will accomplish anything lasting.
