

GO TO Church on Sunday

THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

What will the assay prove? Will the nuggets that spill so enticingly from the old leather bag spell the end of a search, the culmination of life-long hopes for sudden wealth and fortune? Or will they be iron pyrite, the fooler of men—disappointer of dreams? Only chemical analysis of the metal will determine its ingredients.

Sometimes our lives are like that. We fill them to the brim with the things we think mean happiness. And then along comes a blow — perhaps it is a failure of our own, or the betrayal of our trust by a loved one, or an overwhelming grief. Suddenly a life full of glittering trappings seems empty and meaningless. We realize that material possessions are comfortless and cold, without substance.

Spiritual analysis of life points always to God. His Church is the open door to the real treasure of life — the realization of God as the source of all affluence.
