Dear Mr. Rainboat, Just a few lines to thank you for sending The Bulletin to me. My Dad subscribed for me, but you report the news. It is good to hear the news from home, and its projects. I have been at Nha Trang A.B., Vietnam for four months, and have received the Bulletin as-well as can be expected for over here.

Again, thank you for the paper and the good reporting.

The daffodils gave us two full weeks of floral beauty. The hill-side, rock-rigged, and steeply sloping to the water's edge was a perfect setting for the colorful display.

Hundreds of visitors enjoyed the seasonal showing by the Chiques. We commend the courtesy and general good-will of our guests as we shared together the simple beauty of the flowers.

Our thanks to "The Bulletin" for helping to make this project known.
