Schools Propose Three-Mill Tax Increase

A tentative budget of \$1,952,940 for Donegal schools for 1967-'68 and a new tax were approved Thursday night, April 20, as the Board of Education held its April meeting in the library of D. H. S.

The budget, which will continue to be studied for about 30 days, will come up for final passage and adoption

at a special meeting on Monday, May 22.

As proposed, the budget will be about \$100,000 above the present year's figure. Most of the increase, a schoolman explained, will be to meet increased teachers' salaries.

To balance the budget, the board has taken tentative steps to raise the real estate

millage from 52 to 55 and to impose a new real estate transfer tax of 1 per cent.

The tax would become effective July 1, 1967.

It is estimated that the new tax will collect about \$25,000 per year.

This new tax is similar to levies being imposed by other school districts in the county.

The estimated need for \$1,943,440 will come from the following sources:

Local sources	\$ 855,050
State Sources	1,023,390
Federal sources	10,000
Loans due from governmental units	50,000
	\$1,943,440

Expenditures will be made in the following amounts for the following purposes:

Administrative	\$ 88,500
Instruction	1,156,315
Attendance service	8,650
Health services	26,025
Transportation	67,400
Plant operation	146,000

Community services	9,500
Capital outlay	12,450

At its Thursday night meeting, the board also gave tentative approval to the 1967 summer playground program.

Plan Biggest Memorial Day

One of the biggest and most lavish Memorial Day celebrations this community has ever seen is shaping up for the end of next month.

Although Memorial Day is on Tuesday this year, the Mount Joy celebration will center on Saturday before—May 27.

On that day the annual parade will be staged, with the governor of Pennsylvania as the grand marshal.

Although it had been expected that Governor Shafer would come to Mount Joy, official acceptance of an invitation was received by letter only the first of last week.

The governor will lead the parade, which will form in the Glossbrenner church area and move east on Main street

for 1.7 miles to disperse east of Park avenue.

The commonwealth's chief executive will ride the entire length of the parade, then double back and will join the reviewing party at the reviewing stand at Main and Market Street.

This will be one of the first times that it has been attempted to handle a parade the length of Mount Joy for a major occasion.

Details of detouring traffic will be complicated and it was estimated that 30 to 50 men, radio equipped and finely drilled, will be necessary to handle the traffic situation.

Other events scheduled for the weekend include the Miss Mount Joy pageant, on Friday night, May 26; two art shows—one for adults and one for children; a band concert on Saturday night, May 26; a chicken barbecue, a beef dinner, opening of the swimming pool, Memorial services, etc., etc., etc.

Letters were issued last week by the finance committee of the Community council, which is sponsoring the Memorial Day observance, asking for contributions toward staging the activities. Richard K. Beach is chairman of the finance committee. Mary E. Mitzkavich is treasurer.

**To Open New
Main St. Business**

Mount Joy's expanding business community will see another official opening next week as the Preis Finance company and Preis Consumer Discount company open a new office at 45 East Main street.

The new firm, which will occupy the room formerly used by Bennett's restaurant, will be ready for business on Monday, May 1, offering personal loans, auto loans, appliance loans and other services.

Manager will be Ronald Lebo, who presently lives in Highspire. He has been with the Preis organization for 3½ years, most recently as assistant manager of the Lemoyne office.

Preis has 10 other offices in Lebanon, Lancaster, Cumberland and Dauphin counties.

**Begin 'Fast Time'
Sunday Morning**

Sunday morning this part of the world will be operating on daylight saving time.

And — unless you make a correction in your clocks and watches sometime Saturday night (or at 2 a.m. which is the official hour) you are going to be late for church.

Move all time pieces ahead one hour for the "fast time" which puts more of the waking time of the day into daylight hours for the summer season.

Mount Joy's Borough Council took official action to establish the time in this community at its April meeting.

**Sportsmen Club
Given Big Antlers**

A hunters' prize of great interest has been received by the Mount Joy Sportsmen association.

The trophy is believed to be one of the ten largest elk antlers ever taken. The animal was killed more than 50 years ago in British Columbia by the late Simon Cameron on a hunting expedition into Canada.

Later the antlers were given to the late Paul Kaley.

Following his death recently, Mrs. Kaley gave the antlers to the Sportsmen.

Elwood Martin, president, said this week that plans are being made to mount the huge antlers for display.

**'Music Man' Set
For Three Shows**

Donegal high school's spring musical spectacular, "The Music Man," opens Thursday night, April 27 at 8 p.m. in the D. H. S. auditorium and will continue through Saturday evening, April 29.

Michael McDowell and Terrie Gemberling co-star in the production supported by a cast including the following: Darlene Hess, Jeffrey Mummau, Walter Rolfs, Jessica Sheetz, David Hostetter, and John Presto.

Directed by Mrs. Ro Ann Lau, vocal music instructor at the high school, the production will feature the entire senior high chorus and a special instrumental ensemble. Cynthia Roland, a D.H.S. sophomore, will provide piano accompaniment.

Faculty advisors for the production include Mrs. Mary Margaret Peraro, asst. director; Mrs. Almeda Scheid, costumes; Michael Weaver, stage design; Kenneth Depoe, setting construction; Warren Hayman, choreography; and Mrs. Vera Gingrich, make-up.

Students assisting in preparing the stage included Alan Aciri and Dale Weibley. Phil Hossler has been assisting in coaching dance steps.

BAND CONCERT

The Donegal high school concert band, under the direction of Glenn Leib, will present a concert Saturday, May 13 at 8 p.m. in the high school auditorium.

Tickets may be purchased from the band members.

Paul G. Fisher, band director at Millersville State College, will be guest conductor.

COMMENCEMENT

Donegal high school commencement will be held on Thursday, June 8.

'Of This and That'

by the editor's wife

"What's in a name?"

That's a question that the fourth grade children in Mrs. Zella Rehner's room at Grandview elementary school answered in an interesting way last week!

It was their "turn" to put a display in the showcase in the front corridor, and their efforts created much talk and speculation when the display was in place.

A trim sailor and a submarine . . . a circus . . . a "shadow box" showing a little cafeteria . . . several Barbie dolls . . . a little Indian girl doll . . . a tiny piano . . . and much more . . .

What did these things convey? Each little grouping suggested the name of one of the teachers at the school, the principal, or a Donegal district administrator.

No names were placed in the exhibit, so the fun was to GUESS the name each grouping represented.

For instance: Mr. Shields, the instrumental music teacher, was represented by two large silver-paper "shields," with tiny

instruments lying in front of them.

Mr. Hart was suggested by a "Heart"-shaped vase, containing "herbs," which in themselves stood for the name of another teacher, Mrs. Erb.

In a circus setting, a piece of "rare" meat was hanging just beyond the reach of some of the little "wild" animals, suggesting Mrs. Rehner.

Two "tombstones" in a graveyard represented the two Thomes at the school — William Thome, the sixth grade teacher, and Sue Thome teacher in the fourth grade.

The trim sailor and the submarine? Who else but the building principal, Mr. Saylor?

The kindergarten teacher's name is Mrs. William Groff. This was suggested with a little "Billy goat Gruff!"

Mr. Coleman — coal and a "Coleman" lantern . . . Mrs. Klugh, a Barbie doll with a detective garb, hunting "clues" . . . Mrs. Germer, the nurse, with a sign saying "germs" and tiny bugs scattered around . . . Miss Joanne Longenecker, with a stuffed giraffe . . . Mrs. Roland, with "rolling land" . . . Mrs. (Turn to page 3)
