

GO TO Church on Sunday

A SENSE OF SECURITY

THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake, (2) For his children's sake, (3) For the sake of his community and nation, (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Money in a savings account? Money in a checking account? Money in your pocket? These all add up to a fine sense of security. But as everybody knows, the security of money can disappear. The stock market drops, expenses chew up your savings.

There's another kind of security that is not based on the fleeting, material treasures of life. It is the security needed when sickness strikes, a son or daughter disappoints us, or death takes a loved one. This security chases out doubt and fear. It enables us to go right on living day by day, certain that we will not walk alone. In fact, God has said that He will never leave us nor forsake us.

Discover for yourself this security! In your church you can find those eternal values if you trust in the security of Him who cannot fail.
