

GO TO Church on Sunday

FORGOTTEN SOMETHING

THE CHURCH FOR ALL . . .
. . . ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake, (2) For his children's sake, (3) For the sake of his community and nation, (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Have you been forgetting something lately? Have you been forgetting yourself?

Let's be completely selfish, for the moment, about this matter of going to Church. Let's look at it solely from your own point of view.

Will the Church offer you an escape from reality? Will it lead you into some kind of a rosy dream world? Will it be your own, personal panacea—a kind of spiritual crutch?

Emphatically no! What the Church will do is give you Faith. It will help you find the courage and strength to meet life's tests. It will bring you complete realization of one all-important fact: with God's love, it is never too late to begin again.

If you haven't been going to church you have undoubtedly forgotten yourself. Start going now!
