of drainage.

It was pointed out that the borough has \$31,000 in its budget for streets this year.

No action was taken but the matter was directed to the street committee for study.

Tony Black, appearing for the R&H Development corporation, offered the borough a two-acre park area in the Westview development on Donegal Springs road. The tract, located south of Donegal Springs road and east of a line extended southward from Chocolate avenue, is "low" and is an area which water in the area collects and finally seeps away under ground. No action was taken. As well as create a park, the R & H corporation seeks a change in the lot plot in the area to satisfy F.H.A. and V.A. house loan requirements.

Council passed and ordered published a new disorderly conduct ordinance which was called "more enforceable" than the borough's present similar regulations.

Both Florin and Friensship Fire companies gave 1967 year-end reports. Friendship answered 50 calls and was in service 60 hours. Florin answered 31 calls and was in service 41½ hours.

Friendship was not called during the entire month of December, Chief John Myers reported.

ACCURACY

Atomic clocks are so accurate that they will lose or gain only one second in 15 years.

The old theory is that during Leap Year the gals can pick out the fellows they want — and can do the proposing. Just how this differs from any other year is something they failed to explain.

The person who talks all the time has nothing to say.

New Arrivals
