N. Y." to R.D. 1, Mount Joy. With him were two bright-eyed little girls, one a 5-year old and the other now a third-grader at Grandview elementary school. They all seemed happy to be in Mount Joy.

Later, we saw the three of

them, plus the mother and two "Allied" moving van men, having lunch at a local restaurant.

Another young man also dropped in to change his address, and gave us a very warm invitation to visit the new NCR plant soon and see its fine printing equipment. We hope to do just that!

Others have come in for Mount Joy maps.

We have also heard that the wife of one of the NCR men has applied for substitute teaching in the Donegal School district.

We predict that the impact and the strength of these new people will soon be felt in Mount Joy.
