

GO TO Church on Sunday

Refreshing Outlook

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

What an exciting, stimulating century we live in! There's so much to see and to do. From morning until night we're on the go, and sometimes we can't sleep because our minds are whirling with plans for a busy tomorrow.

It pays to take time to breathe... time to unwind. We need a way to restore our souls and bodies so that the demands of modern life will not be overwhelming.

The Christian faith offers in full measure that healing peace within us that the psalmist describes. The Christian outlook is refreshing in its sincere approach to the problems of our complex society.

Why not join your neighbors, and attend church this Sunday? Here is a way to find "that peace which the world cannot give."
