

GO TO Church on Sunday

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

There is something about a candle . . . something about a flame . . . something about fire itself . . . that has fascinated man throughout the centuries. Despite the fact that you can translate fire, these days, into a known chemical formula, it is still a mystery, a wonder, and sometimes a fear.

It is an elemental thing that this little girl is studying as she watches the candle flicker. And, like so many of the elemental things—like Nature itself, and like Faith, for that matter—it is awesome.

Faith, too, is a mystery and a wonder. Yet the only fear that Faith engenders is the fear, deep within one's heart, that it might be lost.

So that this essential ingredient of life does not elude you and does not diminish during misfortune, make it a habit of attending the church of your choice regularly. Here you will be given spiritual strength and inspiration and kindle the mystery of love and joy within your heart.
