

# MEMO - Mount Joy - 1968

- 1.—Work for an attractive, public park at the Cove, keeping in mind that this is one of the most historic spots in our entire community.
- 2.—Encourage public and/or private capital to launch a tourist attraction which will put Mount Joy "on the map."
- 3.—Buy and regularly use a borough-owned street sweeper.
- 4.—Press for completion of the codification of borough ordinances.
- 5.—Enlarge the "Music in the Park" project.
- 6.—Start now to provide more water for our community, cooperating and participating with any agency which is interested in such a project.
- 7.—Get the Wood street rebuilding project firmly and certainly launched this summer with a firm schedule for completion.
- 8.—Press for improvement on Manheim street between Mount Joy and the site of the new 230 Bypass interchange, including the drainage problems in the area of the Little Chiques creek bridge.
- 9.—Take steps to insure that property within the borough has fire plugs located within reasonable protection ranges.
- 10.—Begin immediately to develop plans for the newly acquired borough building, to make it into an efficient, attractive and useful addition to the borough's facilities, including adequate headquarters for the police department.

## Letter to the Editor

Dear Mr. Rainbolt, find out what happened to Mr. Wise's balloon. May you continue 'The Bulletin' in good health, Mr. Rainbolt, and thank you for your news from home.

I am one of your 'Bulletin' readers in Memphis, Tennessee, and I thoroughly enjoy your paper. I grew up in Mount Joy, many of my family ties are there, and I've never stopped appreciating my lovely home town. I am happy to read of the fine progress you are making, but I hope you never grow so large that you lose the small town friendliness that is so marked in Mount Joy.

I ran across a news item in our morning paper, 'The Commercial Appeal' that I thought you might find interesting, as I did. This was clipped from a section called 'News of Bygone Days' from the Comm. Appeal files, and has news from 25, 50, 75, 100 and 125 years ago on the current day.

If you ever have a moment, or perhaps an afternoon, to spare, it might be fun to boat is to be used instead of

Notices to all publishers of newspapers in the world: It is my intention to cross the Atlantic in a balloon during the summer of 1844. As balloons often cause alarm among inhabitants of all countries, I hereby give notice. The balloon will be 100 feet in diameter and will have a net ascending power of 25,000 pounds. A sea-worthy boat is to be used instead of

## DHS Band Club Elects Officers

The Donegal Band Parents club met on Monday evening, June 3, in the high school cafeteria. The Board of Directors met at 7 p.m. with president, Lester Hostetter, in charge, and chose the following officers for the 1968-69 school year:

President, Donald Waser; vice pres., Mrs. Charles Shoemaker; secretary, Mrs. S. Maurice Crowl, and treasurer, Mrs. Harold Ney.

The general meeting was called to order at 7:30 p.m. by President Hostetter. Band Master Glenn Leib thanked the club for the gift presented him at the spring concert. He stated that the concert was a big success, and that he felt all who heard the U. S. Army Field Band, enjoyed this fine group of musicians. He mentioned that letters of appreciation could be written the head man of this group, telling him of this appreciation, and asking if they might return in the near future and give a concert in our park.

Leib stated: Color guard and majorette trials are completed and five girls have been chosen for this next

year; Donegal is considering an exchange program of band personnel with another group to be discussed further when more is known. The French Horn that was purchased by the club is in use. A recording session of concert has been dropped due to failure in the speaker needed to make the record.

Band camp letters, which will be forthcoming to members of both bands, was read by Leib to the group, stating dates for camp August 26 to 30, incl. Two more color guard flags will be ordered. Leib wants all present members of the club to encourage more people to come out to club meetings.

Morrell Shields will be giving lessons at playgrounds this summer. It was pointed out that private lessons are needed by students of both bands, as some younger students now taking lessons, are advanced so far, that there is a possibility they might be given the place of an older student not so far advanced, or who shows no desire to advance.

Leib was given OK to check with Oswald Uniform Co. on cost, delivery date, etc., for uniforms for color guards, and to report back as soon as this information is known.
