

● **Timely Tips**

ed as well as the lean-jawed man. Straw planters, sometimes called beachcombers, with their broad sweeping brims are favorites for casual country or beach wear. They are even appearing on city streets with increasing frequency. The added width, artfully concealed in the curl, provides the needed dimension to make the hat flattering to the full-

The new shapes come in all of the old favorite types of straws. A man can select from panama, milan, coconut maccora, or leghorn, and chances are he will pick one of the new lighter colors. **Cherries Give Variety To Seasonal Meals**

Fresh cherries are a delicate fruit and demand immediate attention if they are to retain their freshness.

Cherries maintain their fresh quality for only a short time after they are picked. Buy or pick as many cherries as you plan to use within a short time, and refrigerate them until you're ready to prepare and serve them.

Choose fresh cherries that are firm and shiny, plump, well-colored, and free from blemishes. Select the type of cherry, sweet or sour, according to how you plan to use the fruit. Sweet cherries are a popular snack and are excellent in cups and salads or as a dessert. Sour cherries are preferred for pies and cobbles and other food cooked products and for jam and preserves. Cherries are easy to can. Continued on next page
